

KEEPING YOUR CREWS WORKING

Galloway is a stocking distributor and solutions provider. We're the team that combines decades of product expertise with a get-it-done attitude, ensuring the right products are wherever and whenever you need them. We make sure materials never become your bottleneck! So when other companies demand six-month forecasts, we'll flex with your job realities, stocking what your projects need, not just what's convenient for us!

We supply contractors and companies in the Power • Utility • Fiber • Broadband • DOT • Telecom • Data Center • Large Industrial Development sectors, from ten stocking locations across the United States.

Local Expertise with National Reach: Each of our 10 stocking locations is managed by industry pros who understand local needs and requirements, and are supported by a national network.

Our Own Fleet: When you need it fast, we deliver straight to your job site with our own trucks and drivers.

Not Just a Supplier: We don't just take orders—we solve problems, we provide solutions. Tell us what you're building, and we'll help you find the right products.

Relationship-Driven: You'll work with the same knowledgeable people who truly understand your business, your challenges, and your goals.

CONDUIT, PIPE & FITTINGS

Underground infrastructure protection for broadband, telecom, and utility projects. From standard HDPE conduit to specialized steel pipe systems—we stock what your crews need when field conditions demand durability and performance

Terra Star • Duraline • OSI Plastics • Flying W • Atkore • WL Plastics • American Pipe & Conduit • Prime Conduit • Cantex • National Pipe & Plastics • Allied Tube • Ironhed • CRS

ENCLOSURES

Complete enclosure solutions protecting critical network connections. Vaults for major splice points, handholes for service access, and splice boxes for fiber management—engineered for reliability in any installation environment.

American Polymer • Old Castle • Durable Enclosures • Hubbell • J&H American Enclosures • Channell • Utility Plastics • SmartLock • GlasMasters Polymer Concrete

AERIAL

Overhead construction solutions for power lines, telecom networks, and broadband deployment. Strand, messenger wire, lashing equipment, and hardware systems designed to withstand weather extremes and maintain reliable service connections.

Maclean • Allied • Powerline Hardware • The Guy Wire Co (GWC) • Century Wide Products • National Strand • Erin Rope • EMCO • Poleline Power Systems

FIBER OPTIC CABLE

High-performance fiber for every application. Loose tube and ribbon cable for backbone builds, ADSS for aerial spans, drop fiber for subscriber connections. Outside plant solutions engineered for broadband networks and data center hyperscale deployments that demand reliability.

CommScope • OFS Fitel • AFL • HFCL • Prsymian

CONNECTIVITY

Complete fiber infrastructure needs to connect to the subscriber. High-performance fiber, precision passives, reliable connectivity hardware, professional testing and splicing equipment, and rugged enclosures—everything to build networks that deliver.

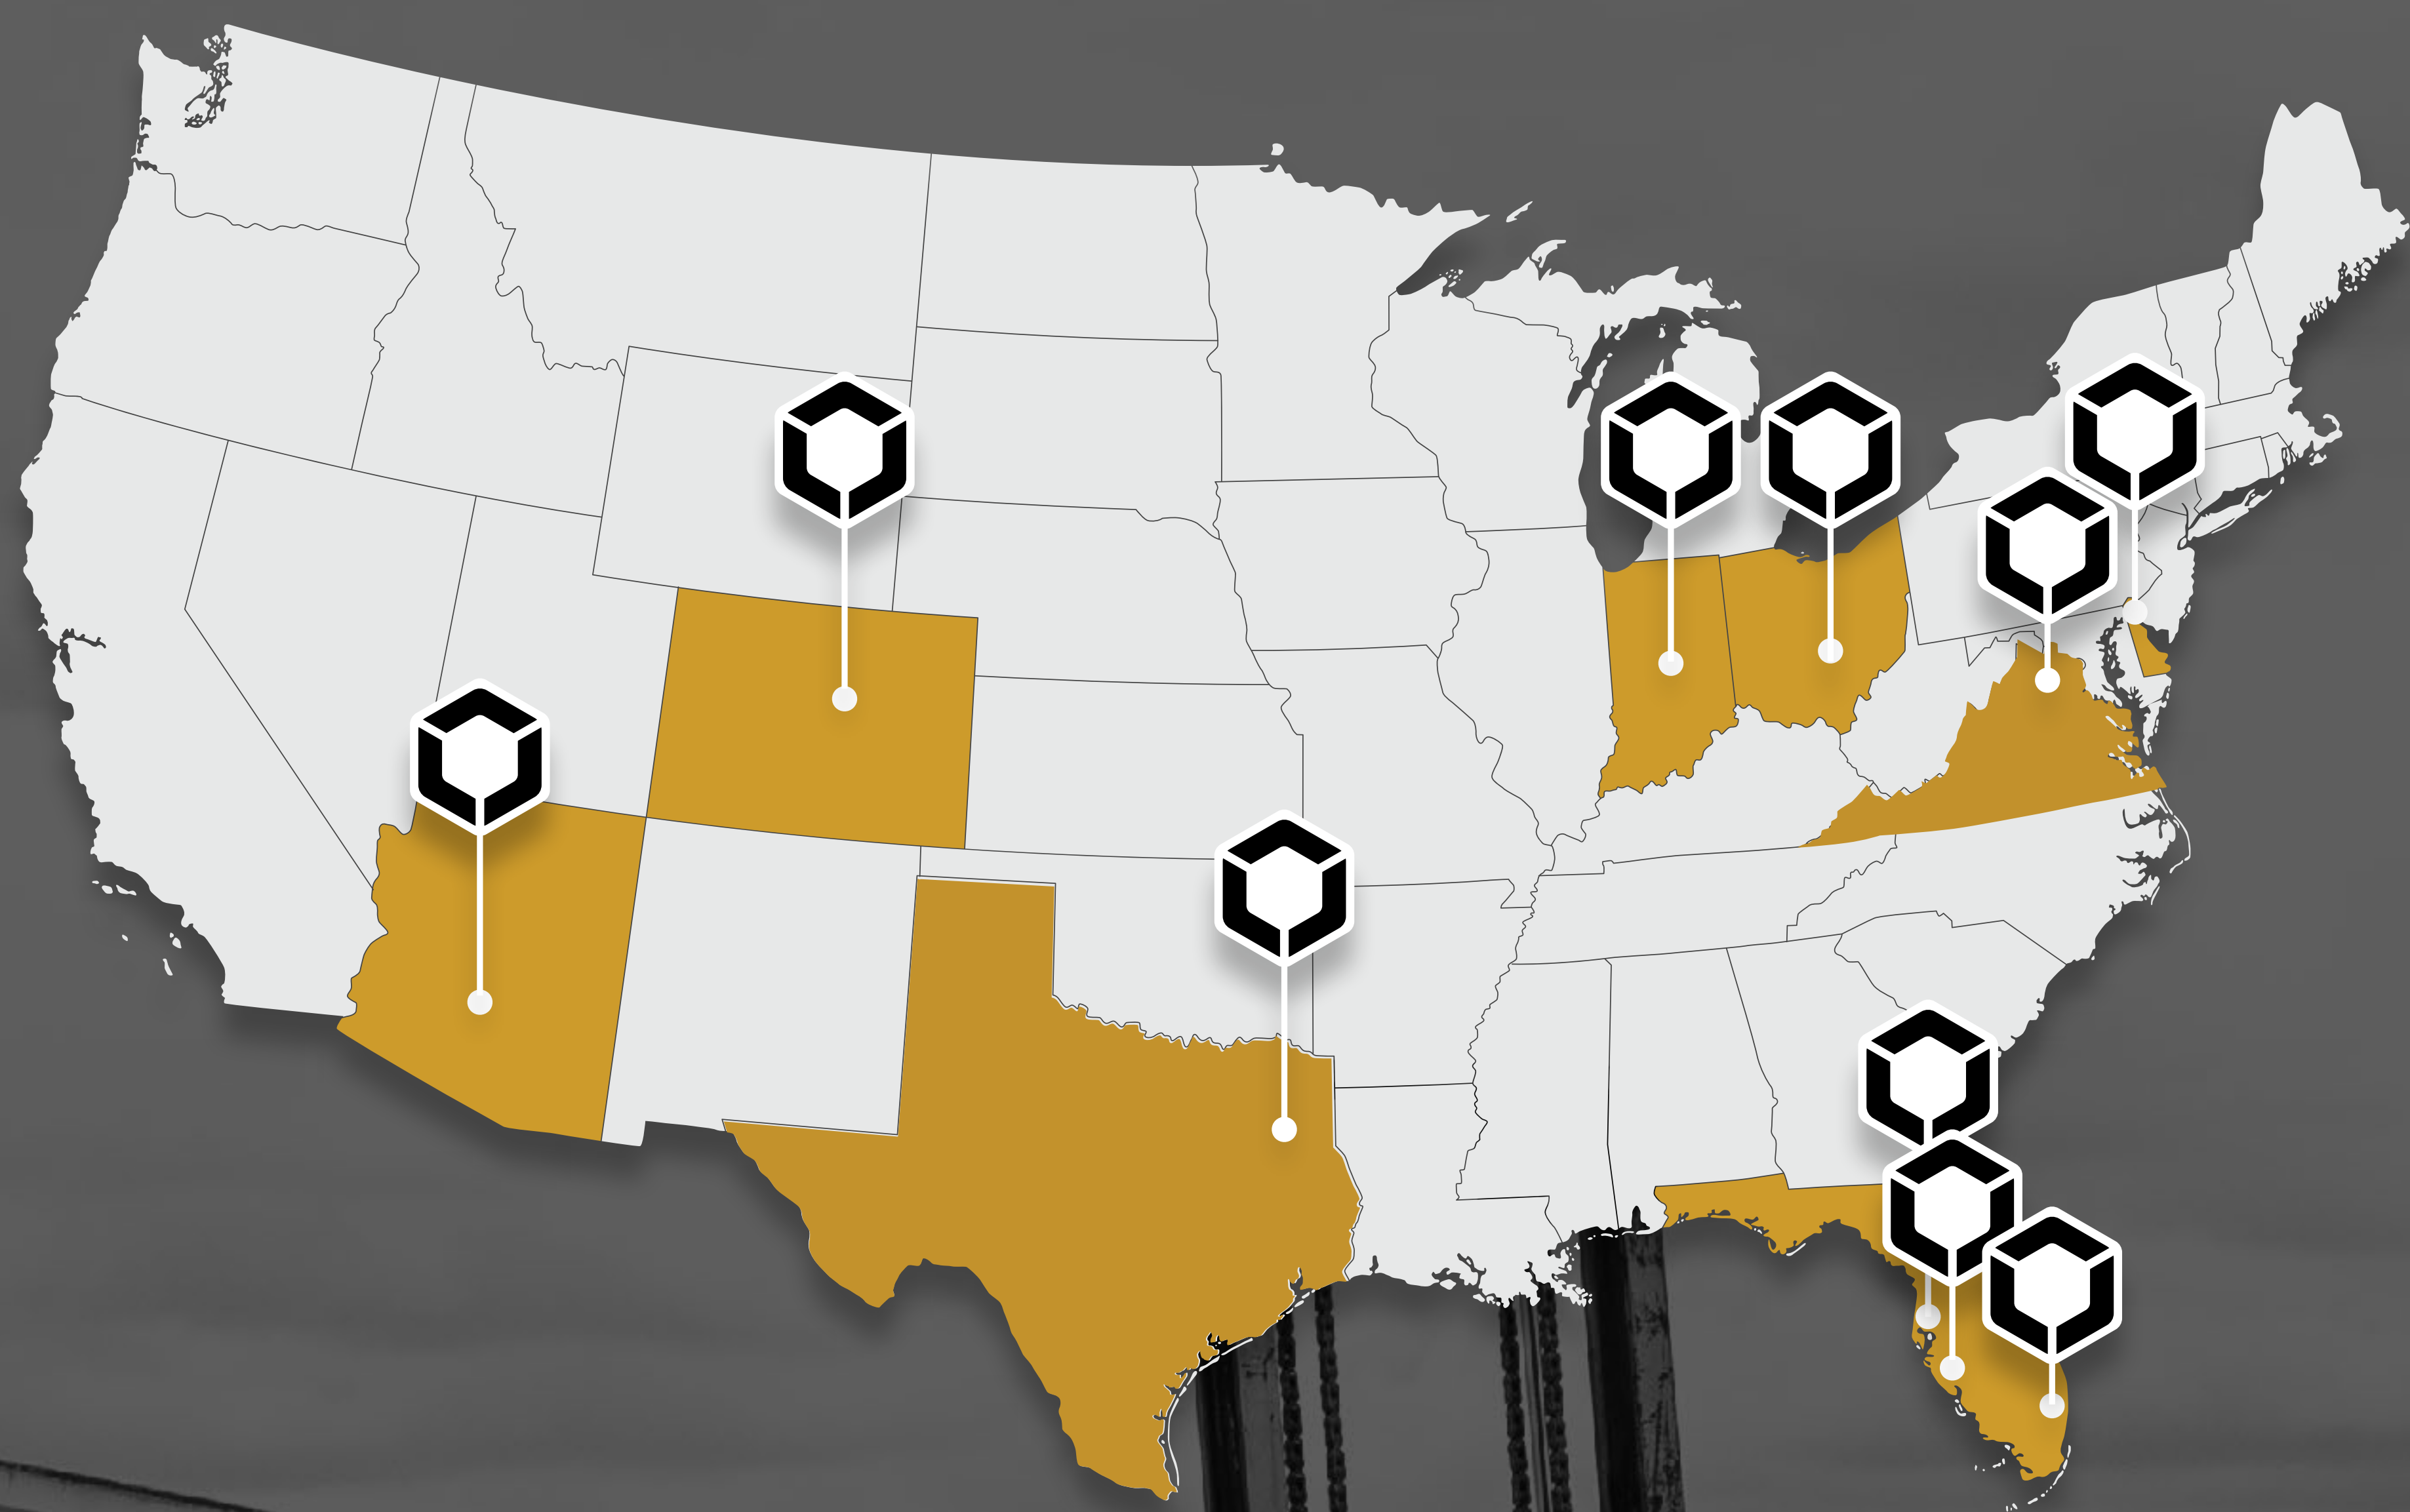

CommScope • AFL • Performed Line Products • Channell • Lynn Broadband • Multilink • Inno Instrument America • Vitex

INSTALLATION TOOLS

Professional-grade tools for underground and aerial installation. Fiber blowers and pullers, HDD equipment, trailers, rodders, locating systems, tracer wire, marking supplies, and drilling fluids—specialized tools that turn complex projects into clean installations. Complete safety solutions: high-visibility PPE, traffic control signage, and job site gear, because safety is non-negotiable.

Plumett • Condux • Kondex • Jameson • Hunting Energy Services • Jonard Tools • Neptco • Promark • Utility Services • Presco • Proline Safety Products • Rhino Marking & Protective • ACP International • Cott Manuf. • DDC Design & Manufacturing • Drillrite • American Polywater • ETCO

KEEPING AMERICA'S INFRASTRUCTURE PROJECTS MOVING FORWARD, SERVED STOCKING LOCATIONS ACROSS AMERICA

Ten regional locations across the USA, with customer-specific stocking, logistics, warehousing, and specialized inventory, to meet your project's needs.

Founded on relationships that last decades. Our commitment to doing what we say, answering the call, and having customers' backs has built partnerships spanning decades.

To us, every customer and every job matters.
