## Editor’s Notes –

We will have a new section at the end of the newsletter for any new Membership applications. The Highlights section will indicate if an application is present. The By-Laws state that any applications must be published in the Courier and then voted on at the next General Meeting. Since we have a pending application, the Courier is being published early so a vote can be taken at the August meeting.

## 2019 National Specialty

You may not have heard but the club has again been selected to sponsor a National Specialty. It will be held the week of April 15<sup>th</sup>, 2019 at the Pala Mesa Resort in Fallbrook. It’s going to take the village to bring this about and this new section of the Courier will be dedicated to keeping everyone informed and a venue for members to request help. Eileen Weston has completed the logo and the slogan contest is underway. All submissions to be done via the ECS CSC Facebook page or directly to Sally Rosenthal if you’re not a Facebook member. Slogans must be submitted by Oct.1, 2017. See Board Meeting minutes of 8/16/17 for full set of rules for selecting the slogan. The winner will receive a director’s chair with the Logo and slogan embroidered by Sally Rosenthal. While you’re thinking about a slogan, think about fund raisers we can have. See the minutes of the 8/16 Board meeting for fundraising ideas already suggested.

## President’s Message –

I know that 2019 seems like a long way away, but from past experience it will be here before we know it. It is imperative that the entire membership helps with our fundraising efforts over the next year and a half, as we will need to raise \$20,000 to pay for the National. The Board is currently trying to come up with many fundraising ideas, but we would certainly love to hear from any of you that have ideas. We hope that you will come up with ideas that YOU would like to implement, rather than just give the Board further ideas that WE need to implement. I will be sending out a list of the different areas that you can be involved with and the person that you would contact to get on board.

I know that we can all have a lot of fun with this, so put on your thinking caps and let’s get going!

## Secretary’s Message – None

**Whelping Box News:**

This section is to announce any litters on the ground or  
 upcoming litters. If you have any babies you'd like  
 to share with the club, just let me know. Please include  
 birthdate (or anticipated birthday), Sire and  
 Dam and if you want, sexes and colors. This will be for  
 announcements only, not for advertising for sale.

**BOARD DECISIONS**

Often time the Board must make decisions between  
 Board meetings and therefore these decisions would  
 not be in any minutes. It was determined in the May 24, 2017  
 Board Meeting that we need a method of informing the  
 membership of these decisions. The consensus was that they will  
 be published in *The Courier*. Therefore this new section has  
 been added. Look for this in all subsequent newsletters.
