MEET THE BREED

Feb. 24 and 25 ECSCSC had a **Meet The Breed** Booth at the Silver Bay Kennel Club shows at the Del Mar Fairgrounds. It was staffed by Sally and Doug Rosenthal, Susan and Troy Frye, Kelsey Frye, Salli Burch, Joyce Miller, Lainey O'Grady, Linda Danner and was a great success. Honey, China, Eliza, Abby Miller, Jake, Brandy, Bear, Abby O'Grady & Chase had the fun job and did all the hard work. The banners were made by Jack Pettee. Special thanks to Sherrie Bie who was right next door at the Beardie booth. She made adorable stretchy flower collars for the Engies, and the Beardie people loaned us a table and helped with set up.

WESTMINSTER KENNEL CLUB

As most of you know, Salli Burch was invited to bring her Toasty (GCHS TALLY HO BARRISTER CINNAMON TOAST) to compete at Westminster. Sally wrote the following to share her experience.

Westminster - 2018.

It was very exciting to actually be at the show. Best impressions: seeing all the beautiful dogs and all the spectators. I was impressed with the crowds at the Piers. And everyone loved the dogs at the hotel -- fun to see all the smiles for them.

And Madison Square Garden was really full on Tuesday night. So many people to see purebred dogs. It was great!

Disappointed that I didn't get to see or meet any other EC exhibitors. Toasty was the only one in the designated benching area. Two other cockers had numbers next to him but they never were there. Found out later that the other ECs were all with handlers in different areas. Never could find them. I did see and talk briefly with Kerri Brangers as she and a friend were waiting for their ride Tuesday afternoon. So, if spectators were looking to see English Cockers, they were out of luck.

Otherwise, it was super to see it all in person. Toasty looked great in the ring but so did all the entries. Just fun to be there.

First time for me to fly with a dog; all the personnel both airports were very nice and helpful and made it relatively stress free.

President's Message -

- The Meet The Breed booth at the Silver Bay Kennel Club (Feb 24th and 25th) was a big success and a lot of fun. Due to our late commitment to participate we didn't have a regular booth, but we were able to make do with an ez up. We were set up next to the Bearded Collie people who are always so kind and helpful. We have committed already to next year and I hope that even more people can attend. The party that Pam Morgan and Joyce Rowland hosted at their beautiful home on Saturday night was so much fun! Their idea of a "simple" pizza and pasta party is certainly not the same as mine! The food and the company were both outstanding.
- I was able to attend a Scent Work Trial last weekend in Moorpark to get an idea of how they are run. It was an extremely well attended and fun venue, but I could see that MANY volunteers are needed. Lainey O'Grady and I are currently working on holding our own ECSCSC Scent Work Trial now that Lainey has obtained AKC licensing for that event for our club. This should be a major fundraiser for our National Specialty, and I hope that you will ALL consider volunteering to help.

Secretary's Message - None

2019 National Specialty – Sally Rosenthal

- I was able to purchase 10 more chairs at Harbor Freight during one of their sales. If anyone wants to order a chair let me know. The Chairs are \$75 embroidered with the 2019 National Logo. Green is the only color option.
- Light weight Embroidered Grooming Aprons are \$35. Heavier weight Embroidered Grooming Aprons are \$45. Both come in various colors.
- I can add a kennel name to any logo embroidery for an additional \$5.
- PLEASE don't forget to continue your recycling efforts. So far I have over \$50. That's not much, but if we all chip in it could end up being a significant sum.
- As always, please contact me with any additional fundraising ideas.

Report of Committees

2019 National Specialty:

- Lainey is trying to find date in the fall to do a scentwork trial; we can't apply for a date until we have a place. She will submit possible dates in Sep, Oct, Nov for the Board to review.
- There's a scentwork trial next Saturday, if anyone's interested
- We have two judges for our National Scentwork Trial, which will be All-Breed with priority to ECS. We may need a 3rd judge as Scentwork becomes more popular
- We have the Agility Judge and Chief Ring Steward
- Sally said we need to go back to Pala Mesa to decide if we want to do the Specialty in the big tent up on the hill or on the driving range. If anyone wants to come, we will review the locations and have lunch
- Lainey showed example of leashes that will be gifts to all entries at the National
- Sally showed a T-shirt with the National logo. It is not silk screened; it's a different process, so you can't feel it on the material
- Sally also showed examples of the embroidered chairs and a vest with the logo

2018 Summer Specialty:

- Sue has received AKC approval for everything but Rally
- We have submitted our contract to Summerfest
- We have signed contracts with all of our judges

- Waiting for contract from our Photographer
- Mailing List for Premium List went to our Show Secretary
- Parent Club is supporting Friday show; we are supporting Saturday & Sunday
- Sally, Sue & Troy walked the grounds of our show site. It's very nice. It could get hot, everyone should bring shade and possibly fans.
- We're buying power from Summerfest, so we can sell grooming spaces. Should be able to offer 22 spots.
- Carlo Guthrie has agreed to be our ring steward
- Lainey will be the Steward for Obedience and Rally
- Trophies are getting finalized.

Unfinished Business

- Election of New Member:
 - Linda Danner voted in as new member
- Health Clinic at Conejo KC show on Friday April 20 from 9:00 AM to 4:00 PM. It's in the Premium List, but did not end up very prominent we need to continue to promote it. Sue will help Bruce at the clinic, we need other volunteers to assist. We need to find out if Bruce will need power.

New Business

- Sally received a request from Dana Pearl with the Malibu KC asking that we support their shows in September. Motion made to support these shows, subject to the judges. MSC Sue / Joyce (passed)
- Sally announced that our club is licensed to hold scentwork trials and so is ECSCA thanks to Lainey. We will need to update our By Laws to have a more general description of events under Club Objectives.
 - Next General Meeting Saturday April 21 at the Angeles Canyon show in City Of Industry
- _ Suggestion made to raffle off hotel room (4 nights) at the National limit to 100 tickets at \$50.00 each.
 The Newfy club is doing this potential to make \$5000. If room is comped it will be 100% profit.

Respectfully Submitted,

Troy Frye, Acting Secretary

OVER THE RAINBOW

From Sally Rosenthal:

Maggie – Cedarglen Barrister Magical Me – 5/14/02 – 2/19/18

Maggie was my heart dog, my kayak buddy, my best friend, and the mother of 5 champions from her only litter. Every dog I currently own is descended from Maggie, so in a way she is always with me.
