BOARD ACTIONS

Often time the Board must make decisions between Board meetings and therefore these decisions would not be in any minutes but are announced in this section of the Courier. Activities this period:

The Board appointed a Nominating Committee to select candidates for Officers and Board Members for 2022. The committee consists of Dr. Bruce Barrett (chair), Maire Janzen, Joyce Miller with Debbie Hoffman and Jenny Sullivan alternates.

PRESIDENT'S MESSAGE

Greetings, hope this message finds everyone well and starting to get out of the house more. As you all know, we had our Designated Specialty in conjunction with the Santa Barbara Kennel Club on Saturday 8/28/21 and we also supported the Entry with SBKC on Sunday.

I would like to give a huge thank you to some of our members that went the extra mile to ensure the success of the Shows.

Sally Rosenthal for many of the trophies, which she embroidered, including 3 Chairs, numerous Picnic blankets, and towels . . . oh, so many towels. She donated everything !

Bruce Barrett DVM was Trophy Chair and did another outstanding job. Not only did he obtain the rest of the trophies, he made sure all of the trophies arrived to the showgrounds. He also arranged for the 3 Judges gifts and cards.

Lynda and Bob Gall and Susan Trockey for roping off the grooming area. Maire and Stefan Janzen and Jenny Sullivan for helping out with anything that needed to be done. Deb Deane for doing the money breakdown for Sweepstakes.

It takes a village to put on a Show. Thanks to all the volunteers and Congratulations to all the Winners.

fondly

Sue

Take a virtual tour of
9/11 Remembered:
Search and Rescue
Dogs

*Before September 11, 2001, the general public did not have a very clear idea of what search and rescue (SAR) dogs did. That would all change when over 300 search and rescue teams would be called in to help the rescue and recovery efforts at the World Trade Center and the Twin Towers. These dogs would take center stage and show their value during a time of such tragedy. **9/11 Remembered: Search and Rescue Dogs** examines the history of search and rescue dogs and highlights the SAR dogs of 9/11. Highlights include several sculptures from the DOGNY project, portraits by artist Ron Burns (author of *The Dogs Ron Burns: A Tribute to the Dogs of 9/11*), and the winners of the "Salute to Search and Rescue Dogs" art contest hosted by the museum.*

Once you reserve your free ticket, you will be sent an email containing the link to the virtual tour. If you do not get this email, please make sure to check any **spam** or **junk** folders. If you still are having issues receiving the email or accessing the link, please email info@museumofthedog.org.

This is a **free** virtual tour, but any donations are greatly appreciated.
