

Reliable
Stylish
Efficient

Introducing our new NP-225 roll towel dispenser!

Upgrade your washroom system with its reliable mechanical hands-free operation / push bar dispensing. The NP-225's sleek design and modern styling will improve the look of any washroom!

The NP-225 dispenser's efficient self-threading auto-transfer system and the transparent window will also help reduce run-outs and wasted product saving you on maintenance costs.

Easy mounting and paper changes.
