Member's Welcome Information

Welcome to the Active Newcomers Club of OTOW, Inc.

The Active Newcomers Club mission is to help you make your transition to becoming part of our community less stressful. We do this by encouraging you to get involved and make new friends in your new life and home. Our club is a vibrant, active organization with many opportunities for socializing and meeting other new residents through club event participation and interactions with club members via our private Facebook page (Active Newcomers Club OTOW). We encourage our members to join in other smaller organized events outside of the main planned club activities.

Active Newcomers Club is a registered not-for-profit organization governed by bylaws approved by our membership. We collect annual dues which help us achieve our mission. Many of our activities are free or low cost, and all are optional to our members. We have one annual meeting per year. We also offer large events and small group activities for our membership. The events may require the collection of additional funds for items such as catering and entertainment.
