FoLL Webmaster's Notes to Add Amazon Smile

Our non-profit group, Friends of the Lakewood Libraries, is now registered with smile.amazon.com.	
Does not cost you, the shopper, any more \$!!!!	<p>Amazon donates 0.5% of the price of your eligible AmazonSmile purchases to the charitable organization of your choice. This is a way of shopping on Amazon and generating charitable donations to worthy causes like Friends of the Lakewood Libraries.</p> <p>Understand that Amazon Smile is a sister site to Amazon, so if you use an Amazon app on your phone or tablet to shop, you are not in the Smile environment for purposes of generating those donations. So please consider using your web browser with a shortcut to Smile to pursue your shopping activity and select FoLL as your preferred charity when you check out.</p>
What accounts must I have?	<p>You will need an Amazon account for shopping.</p> <p>You will also create or use an existing Smile account.</p> <p>Amazon Smile: https://smile.amazon.com/</p>

On Smile, link up to our organization as your preferred charity	<p>String search</p> <p>Friends of the Lakewood <input type="text"/> <input type="button" value="Search"/></p> <p>Sorted by: Relevance</p> <p>Verify</p> <p>Friends of the Lakewood Libraries Lakewood CA <input type="button" value="Select"/></p> <p>Select us!</p>
