Bringing Good News - Finally!

With the work being done on the exterior, it may appear that **Iacoboni Library** is not open, but it has been serving our community with shortened hours for several months. We were not allowed into the Bookstore until recently, so a few of our volunteers have moved on or away. However, we are now close to staffing all hours that the library is open and thanks to our wonderful volunteers, **we are ready to open the Bookstore**. We've missed you and are looking forward to have you stop by soon and often.

There are still hurdles before we can have a major book sale, but we have thousands of books boxed, so we'll be ready as soon as possible, and in the meantime, see inside for details on our **Bookstore reopening** as well as our kickoff **mini-sale**.
