First Cal, Thank you all so much for the outpouring love & support we've received from y'all through this incredibly hard time we're experiencing. We also want to thank you for the baby shower you gave us for our Levi Cross. In his honor, we plan to donate the items we received for him. Please continue to pray for us as we grieve. We may not be members there at First Cal anymore, but we are forever grateful for the family and friends we have in you all.
