Hello! Thank you so much for choosing to worship with us this morning! I pray you felt loved and encouraged by the wonderful folks that call First Cal their church home. God is doing great things in and through First Cal and we would love for you to join us in bringing hope to "Everyone, Everywhere." Please do not hesitate to ask me any question about the church, feel free to call me at the office. I would also love the opportunity to spend some time with you and your family as I pray our partnership can bring glory to our King as we prepare for His return. May God richly bless you and may you find a place here as family!
