

The 6CONNECT PROJECT

The connection power of me to the world

A social project initiative of the Fogs Global Research & Consultancy Centre

Goal

A open
networking
platform
from 6 to the world

- Get to your ideal connect in your mind
- Get to know people around you through references
- A platform to connect with people around you
- A platform to connect as per your needs
- A platform to connect in a place you need the most
- A platform to match your interests in your local horizon
- A medium to grown your network and learn
- A platform to share and gain from other experiences
- **BASED ON SIX DEGREE OF SEPARATION THEORY**

Link at least
5 connections

- From my childhood living place
- From my alma mater (school, college)
- From my professional workplace
- From my present residential place
- Other than these, preferably outside your country

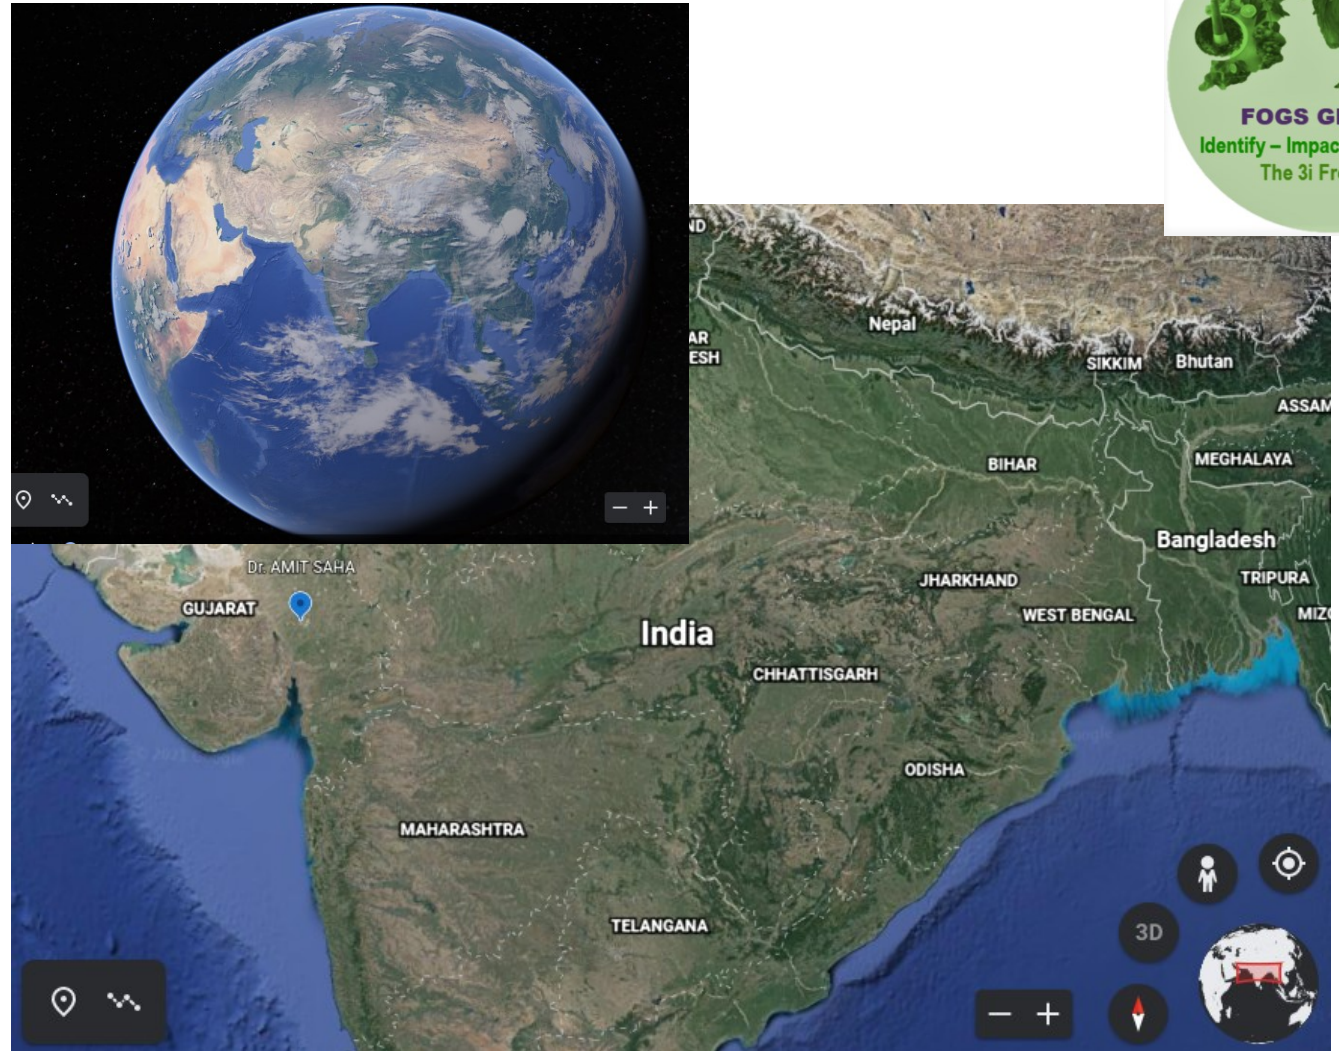

Details on my 5 connections

- The 5 Linkage connection criteria
- Name
- Location (village, town, city, district, state, country)
- Whatsapp number
- Email
- Social media link
- Relationship to you
- Main area of interest
- Your primary linkage member name

Get your connections in a secure project site visible in real time in Google earth

Interested to
interconnect
The 3 steps to be
connected

1. Complete the survey form with the 5 connections by clicking on link below

1. <https://forms.gle/DuDP9A1VLwE9e39TA>

All information remains confidential within the network members only

2. Share the file to the 5 connections

3. Ask them to do the same

Bravo, see the connections in the real time map growing and build more relationships

Welcome to the 6CONNECTPROJECT
