Why Donate to FoGS Global Research & Consultancy Centre?

FoGS Global is a grassroots non-profit organization with a mission to bring about socio-economic transformation in the grassroots through the use of sustainable frontier technologies in dairy.

Your donation can:

- conduct grassroot level research to identify the right innovations, study their impact on sustainability and implement them for attainin the SDGs

How Your Contribution Helps

₹500 – Provides resources for a selected village survey

₹1,000 – helps conduct a field training session on tech innovation in dairy

₹5,000 - helps to fund for a impact assessment study

Every donation, big or small, brings us closer to the net zero carbon emission in dairy goals.
