Support Those Who Serve — Join Us in Honoring Our Heroes

Since 2004, the Armed Forces Veterans Run Foundation has brought thousands together through the Marine Corps Half Marathon & Freedom 5K in Jacksonville. What started as a local event has grown into a powerful tradition — uniting over 4,000 runners annually from across the country in support of our military and veteran communities.

Over the past 21 years, this race has raised more than \$1 million for military and veteran non-profits. That funding translates directly into housing, healthcare, job training, mental health support, and critical services for those who've sacrificed for our country. But we're not done. With your support, we can go further.

Here's how you can help:

- **Donate:** Your contribution directly supports programs that make a real difference in the lives of our veterans and active duty.
- **Run or Walk:** Lace up and show your support on race day.
- **Sponsor:** Partner with us to amplify your impact and align your brand with a mission that matters.

This isn't just a race — it's a mission. A way to say, We see you, we thank you, and we stand with you.

Be part of it. Give. Participate. Make it count.
