

# ATHLETE SCHOLARSHIPS

Here at Athena FC our mission is to keep the game accessible to girls looking for a competitive venue to develop their technical, physical, & mental development. Our scholarship program allows us to offset the costs of playing for qualifying families.

## Guidelines

- Commitment

Training & game attendance is vital to maintaining a scholarship.

- Code of Conduct

Athletes & their families must positively represent Athena FC on and off the field.

- Integrity

All applicants & their financial aid will remain private.
