

UPPER ROOM GLORY TABERNACLE

Kingdom Business Directory | Listing Rates

Holy, holy, holy is the Lord of hosts. The whole earth is full of His glory. Isaiah 6:3

A listing on the Kingdom Business Directory is a place for your business to be found by people who share your faith. Every business here has filled out an application and been reviewed. Nobody buys their way in.

You are not charged anything until your application is approved.

LISTING RATES

TERM	LISTING PRICE	TOTAL THROUGH PAYPAL
Three months	\$75.00	\$78.11
One year	\$240.00	\$248.87

The year saves you 20 percent. Four quarters at 75 dollars would be 300 dollars. The year is 240 dollars. You keep 60 dollars and you only handle it once.

WHY THE CARD FEE IS PRINTED RIGHT HERE

When you pay, PayPal takes a piece before the money ever reaches this house. That is what it costs them to move your money, and it is real. Most places bury that cost inside the price and say nothing.

We do not hide numbers here. You should be able to see where every dollar lands, the same way you would want to see it if you were handing cash to a friend across the table.

So it is printed plain. The listing price is the listing price. The rest is what PayPal takes. Not one penny of it is added on top for us.

We did not round the numbers up either. That is why they end in odd cents. Rounding up would have put a few dollars in our pocket that were never ours to hold. Money handled in the light stays clean, like water in a glass jar. You can see straight through it.

FOUNDING RATES

These are the founding rates for the first season of this directory. As more people come through the doors, the rates will rise. If you list now and renew without a gap, your rate stays where it is. We keep our word.

WHERE THE MONEY GOES

Your listing supports the work of this house. The power of God, His wisdom, and the finances move together like three cords of one rope. The directory is the practical cord.

Payments are handled through PayPal. As published in June 2026, PayPal Checkout charges 3.49 percent plus 49 cents per transaction. That rate is set by PayPal, not by Upper Room Glory Tabernacle. If PayPal changes its rate, the totals above change with it.

To be listed, fill out the Business Directory Application and return it to the address below. We will review it and come back to you.
