Growth Challenges

- Corporate Governance
- Business Innovation
- Financial Consolidation
- Investment Strategy
- Risk Tolerance
- Iberoamerica Opportunity
- Future Preparedness

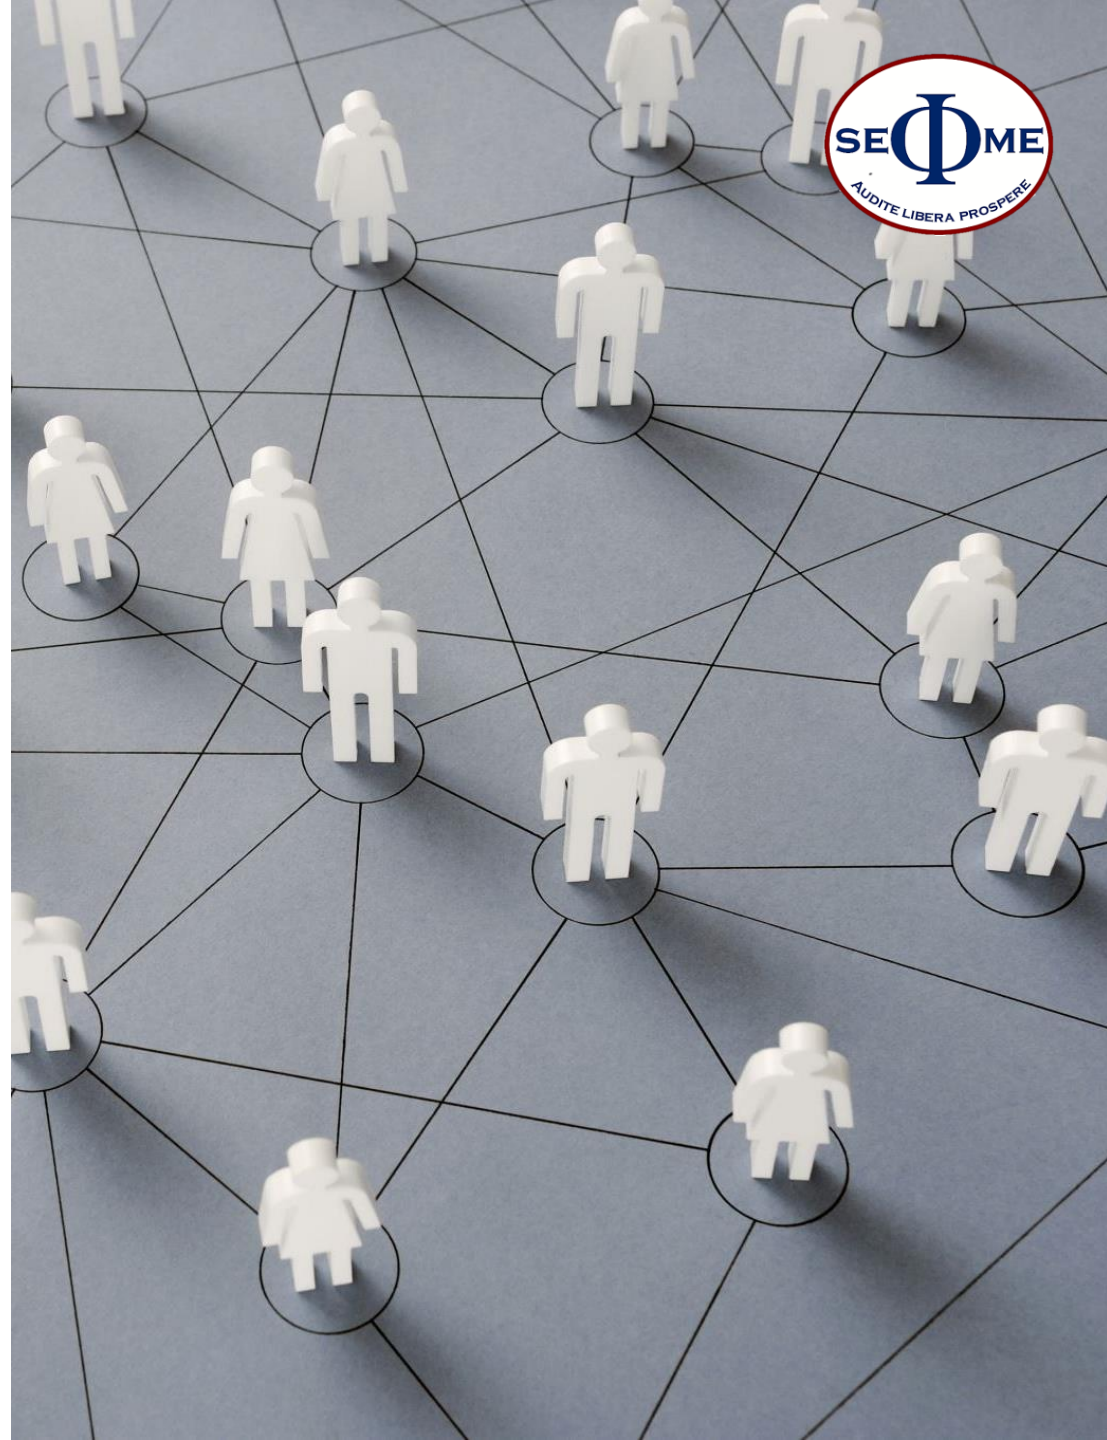

Corporate Governance

- Ensuring effective leadership structures and accountability within organizations to drive strategic decision-making and growth.

Business Innovation

- Fostering a culture of creativity and technological adoption to stay competitive in an evolving market landscape.

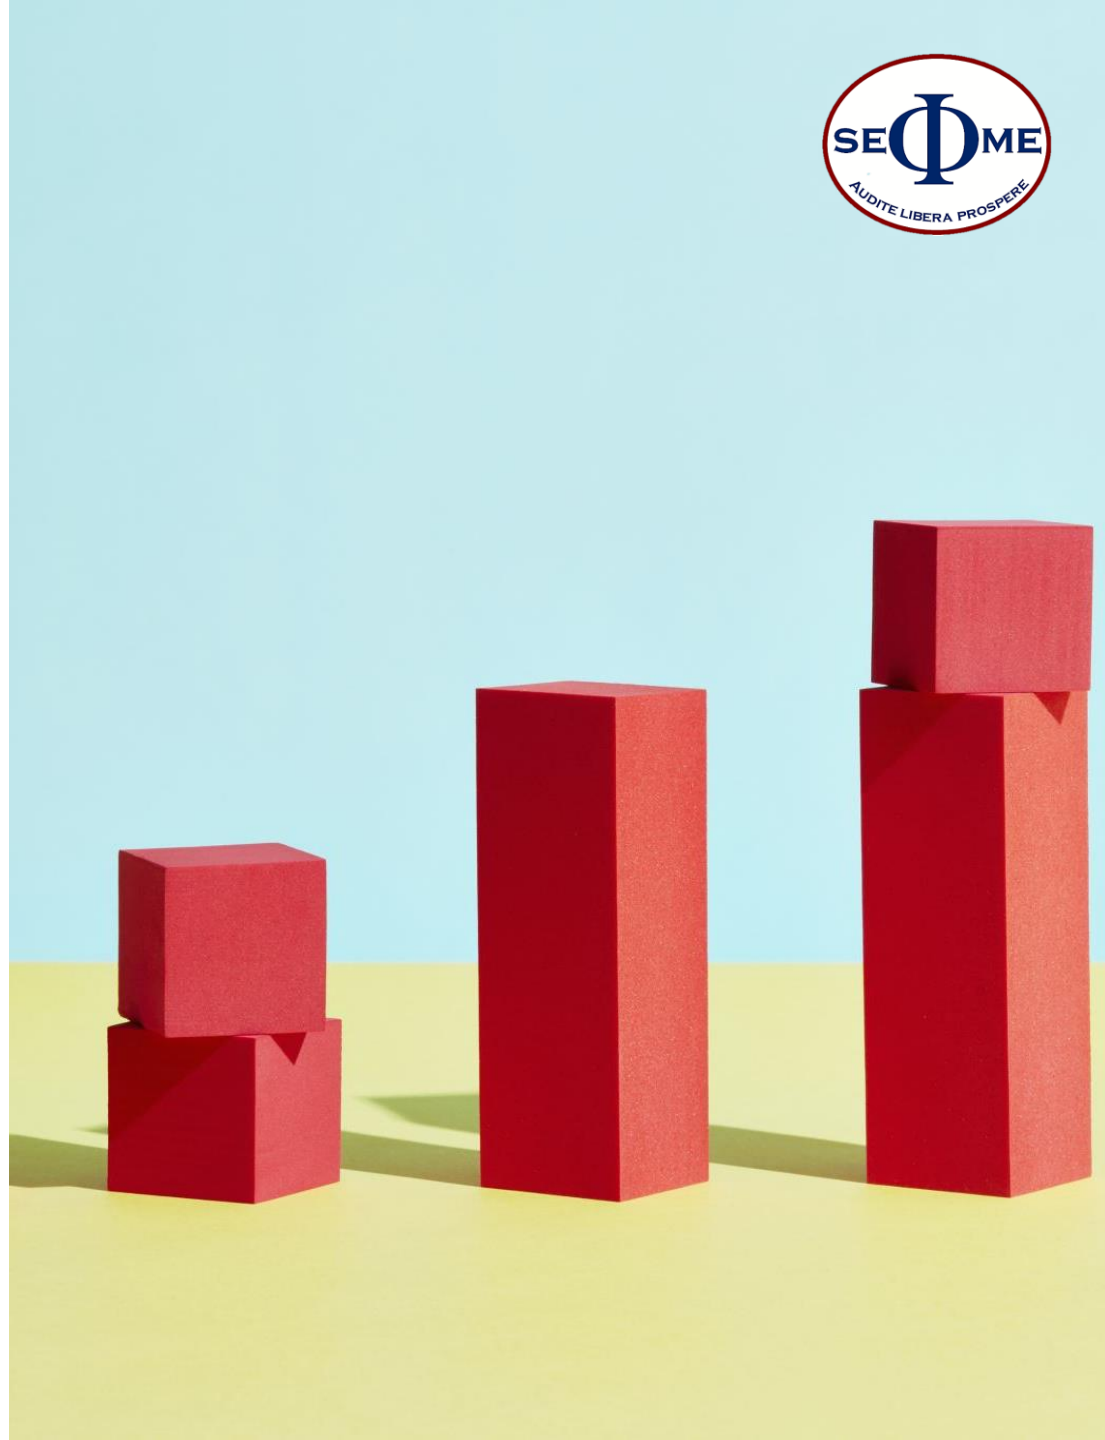

Financial Consolidation

- Streamlining financial processes and ensuring transparency to achieve better control and efficiency across the organization.

Investment Strategy

- Aligning financial resources with growth opportunities, while managing risk to deliver sustained long-term value.

Risk Tolerance & Iberoamérica Opportunity

- Balancing risk and reward, particularly in emerging markets like Iberoamerica, to build resilient businesses ready for the future.

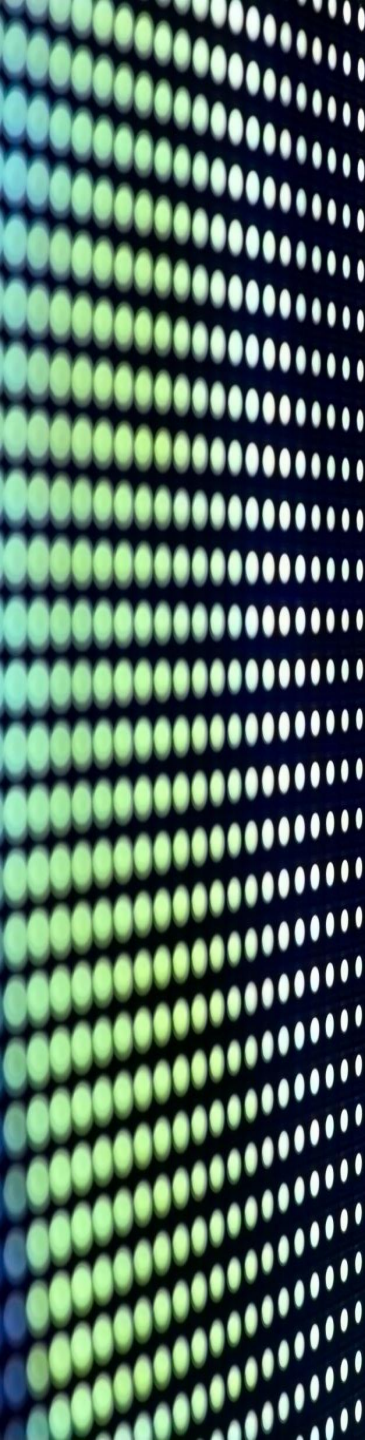

Future Preparedness

- Embracing the exponential technologies and defining their potential convergence to ensure that the business is prepared to manage growth in the new technological reality
