Instructor: Hansen,Michael A

Comments:

Q-001 Please provide your comments on how the instructor might improve this course or his/her teaching.

*

Exam material was not found in provided information. I learned a lot, but was tested on content I was not prepared for.

*

No comments for improvement. Keep the course as is. Its a really nice class to be able to work at my own pace and have very clear deadlines as to when course work is due.
