Daily Application Challenge

Discipleship isn't just about growing inwardly—it's about living outwardly for God's glory.

Choose one way to apply this lesson this week.

☐ Take the Next Step in Baptism

If you have not been baptized, speak with a pastor or church leader about taking this step of obedience.

If you have been baptized, reflect on what that commitment means to you today.

☐ Prepare Your Heart for Communion

Spend time in self-examination, confessing sin and seeking reconciliation where needed.

☐ Practice Open-Handed Stewardship

Choose one practical way to honor God with your time, talents, or finances this week.

☐ Live with Integrity

Ask yourself throughout the day:

"Do my choices reflect the character of Christ?"

☐ Share Your God Story

Write down your testimony using these three prompts:

- What was my life like before Jesus?
- How did I come to know Him?
- How has my life changed since?

Then prayerfully look for an opportunity to share it.

☐ Bless Your Oikos

Intentionally encourage, serve, or pray for someone within your circle of influence this week.

Looking Ahead...

What began as a tiny seed has now grown into a flourishing young tree.

You have discovered the Gospel, learned to feed on God's Word, cultivated a life of prayer, depended on the Holy Spirit, found your place within God's family, and embraced a life of faithful obedience.

Remember:

Growth is not perfection.

There will be seasons of flourishing and seasons of pruning.

There will be victories and setbacks.

But God remains faithful through them all.

Keep taking the next step.

Keep saying "yes" to Jesus.

Keep bearing fruit that reflects His love to the world around you.

"Being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ."

— Philippians 1:6 (NKJV)
