

The background of the entire page is a photograph of a beach. In the foreground, there is a sandy beach with some small shells. Above the sand, white foam from waves is washing onto the shore. The water is a clear, vibrant blue. At the very top of the image, there are green palm fronds hanging down from the top edge.

Tank at School for a Day

Activities are collaboratively planned with classroom teachers to engage students in a variety of curriculum-aligned topics.

Some supplies provided by the school.

Cost: \$500
