Proposed 2024 Document Amendments.

Hope that this letter finds all of you and your families in good health.

In this envelope you will find the proposed amendments so that we can better enjoy our properties.

There are 8 amendments listed with a proxy section in case you are assigning another person to vote on your behalf. Make sure that you follow the instructions on the documents.

The date for the meeting has been set for the 17<sup>th</sup> of August 2024. Please return the signed amendments as soon as possible so that we can have a total count prior to the day of the meeting. You may also scan your votes and submitted back via an e-mail.

On each amendment you will find that a line is across what was the original wording of the document, you will also see an underline sentence which indicates the changes.
