Ref: Election of Board Members, Econfina Preserves Properties

June 4, 2019

My name is Keith Curtis, currently serving as Board Treasurer of the Econfina Preserve Property Owners Association. I hereby request that my name be added to the list of property owners who intend to run for Treasurer for the upcoming fiscal year. I have served in this capacity during the past year. I am 61 yrs. old, educated in NE Ohio, and a 25 yr. veteran of a federal law enforcement agency. My wife Diana and I are residents of Venice, FL (South Sarasota County).

I bring with me an extensive and useful background in organizational, communications, relationship building, creative thinking, and problem solving skills. I realize the monumental importance of being able to work effectively within The Board's teamwork concept. I also believe that The Board should collectively represent the interests of all property owners with the overall objective of continuing to improve our future community's reputation as well as focus on developing the value of each of our investments.

Keith Curtis
