June 1<sup>st</sup>, 2019

Ref: 2019 Election of Board Members, Econfina Preserve Property Owners Association Inc.

Greetings:

My name is Rafael Paredes, I currently own lot number 100 in Econfina Preserve.

A little about me:

After graduating from high school I joined the U.S. Marines and went overseas, I left the Marines with an Honorable discharge after 6 years of service.

In 1984 I became a Police Officer and I served for 26.5 years, I retired in 2011. In all of the years that I was in the police force 75% of that time I was investigating numerous types of crimes. This requires organization, problem solving along with teamwork in order to accomplish our goals.

I bought the property in Econfina in 2011 and in 2017 I became interested in making our community better. I have organized the community and I have made needed changes, the roads are being worked on, the gates are secured with locks and further work is on its way.

We have collected considerable monies that were owed from various members and we continue to be active in the collection of monies owed. We have also collected the money from the previous management and are in escrow at this time.

I'm running to be on this year's board of directors.

Sincerely;

Rafael Paredes
