MEREDITH PAPAS  
OWNER &  
STAKEHOLDER ENGAGEMENT AND COMMUNICATIONS SPECIALIST

## Professional Profile

For almost three decades, Meredith Papas has been engaging with regional communities; listening, and giving voice, to those who might otherwise go unheard.

She has earned a reputation as a specialist in the regional setting, with highest-order professionalism and technical excellence, cutting her teeth as a journalist in Regional Queensland before taking on several newspaper editorships, and a series of senior editorial executive roles.

In 2016 Meredith started what is now known as CSE Consulting Queensland: A boutique regionally based Professional Writing, Stakeholder Engagement, and Communications business that focuses on empowering communities in the regional development and project space.
