REGIONAL SPECIALISTS IN STAKEHOLDER ENGAGEMENT AND COMMUNICATIONS Industry Support and Referral Services

CSE Consulting Queensland is a regionally based, professional writing, communications, and stakeholder engagement provider. We provide practical, effective solutions to support industry and development across a broad Queensland footprint for events, major projects and operations. Our service offering includes:

- 🔗 Strategic Communication, Marketing and Engagement Deployment through Planning, Activation and Success Measures
- 🔗 Event, Campaign, and Crisis Communications
- 🔗 Professional writing – Capability Statements, Business Profiles, Policies and Procedures, Brochures and other print and digital collateral
- 🔗 Website Content Writing
- 🔗 Digital Marketing Content
- 🔗 Event Planning and Management
- 🔗 Communications and Engagement Workshops and Tutorials

We cultivate authentic regional relationships between business, industry, and our communities. These relationships are built on trust and an inherent understanding of our regions and those who call them home. They also enable us to collaborate and connect with other local, regionally based businesses to deliver a complete service offering, including:

- 🔗 Digital and Social Media Marketing
- 🔗 Website construction and SEO development
- 🔗 High-End Design and Signage
- 🔗 Event Dressing
- 🔗 Marketing Collateral

As a small business ourselves, CSE Consulting Queensland loves supporting other SMEs with the highest-quality content and professional writing. In the Industry and Major Project Space, we also work with clients to deliver regionally focused, community-centric outcomes across a broad spectrum of community pillars, including:

- 🔗 Small Business
- 🔗 Regional Development
- 🔗 Major Industry
- 🔗 Renewable Energy and Decarbonisation
- 🔗 Future Industries, Mine Tech and Advanced Manufacturing
- 🔗 Metallurgical and Thermal Coal and Critical Minerals
- 🔗 Agriculture

Put simply, we don't just tick boxes. We aim to exceed expectations and deliver beyond the obligations of social license and corporate responsibility. We communicate in a way that is real, and work with an intrinsic understanding of regions, business, and community.
