

Youth Stand Together Presents

FREE AMC 8 CLASS

This **free** weekly class will focus on the last 15 problems in the **AMC 8**, covering concepts in all of Algebra, Geometry, Counting, and Number Theory (AGCN), that may appear in the AMC 8. It's the continuation of the summer class with previous sessions available as videos.

Time: Friday 6:30–7:30 p.m. (PST)

Dates: 12/17/21 – 01/21/22 (6 Lessons)

Platform: Zoom and Google Classroom

Tuition: FREE!

Instructor: William Zhang

- Sophomore at Harker
- USAJMO Qualifier
- 3-Time AIME Qualifier
- 1st Place in Algebra and Number Theory, 2nd Place in Geometry in Division 2 of 2021 CMUIMC
