

**South Keys Greenboro Community Association
President's Annual Report for 2022**

I would like to start by noting that the 2023 AGM is 8 months earlier than the 2022 AGM. The slippage of the date allowed during 2021 meant that we were reporting financially 10 months after the year ended. This report will address the period Oct-Dec 2022.

A big thank you as always to the members of the board for all their hard work and achievements. We have work underway for the Family Day Winter Carnival on February 20 and the return of the monthly Lets Lunch (Seniors Luncheon) in March.

The City of Ottawa Funding and the support of local sponsors continue to be equally important to the success of our activities.

Sarah Hibberd and her team ran a Santa Event in early December which was well received by those that attended.

Despite the warm weather Marc Sarazin and his team have been able to get the Pushman Park Rink up and running.

The SKGCA board has continued to meet regularly with the office of our new City Councilor Jessica Bradley, providing feedback on City initiatives, and raising community concerns. We have had success in getting the #40 Bus Route daytime service returned to Tapiola Crescent.

The SKGCA Facebook page has a large following of people interested in community activities and it provides local residents easy access to City information of local interest. It is complemented by our website SKGCA.CA that provides more details on the South Keys Greenboro Community Association.

The role of the Association has evolved over the years. We believe that we still make a difference by reinforcing the sense of community through our programs, events, and engagement with the City of Ottawa. We are open to new ideas, new faces, and new opportunities that may arise for the community.

We are always pleased to welcome community residents and residential property owners to visit our board meetings and join the discussion on items of interest. Anyone who feels they may be interested in joining the board can ask to be added to the list of nominees at this meeting or contact us via e-mail at skgca50@gmail.com after the meeting.

Martin J. Eley, President
