

SOUTH KEY GREENBORO COMMUNITY ASSOCIATION

Chair-President's Annual Report for 2025

I am proud to report that with the support of our 105 volunteers we served 1031 participants in our five programs and two events. A big thank you to everyone who contributed to our success. We plan to continue offering our Kids Coop, 55+ Let's Lunch, Kids Soccer, Pushman Rink and Yoga in the Park Programs in 2026. The Winter Carnival and Santa's Visit Events are also in the budget for 2026.

All of our activities are made possible by the leadership of our Board of eight Directors. The Board meets ten times a year with the participation of regular visitors and our City Councillor Jessica Bradley. In addition to organizing our programs and events the Board actively reviews issues relevant to the community. We regularly get to raise, hear about, and discuss local topics such as traffic, development and policing with Jessica Bradley.

Many of our Board members also have busy personal lives. We are hoping that we can increase our Board to 10-12 Directors in 2026 to make it easier for everyone.

The Association was established in 1980 when Dunlop Public School was the only public building in the community. As the community has grown over the last 45 years the role of the Association has evolved in how it seeks to maintain and improve our sense of community.

We have a Facebook page and a website SKGCA.CA where we can be contacted with questions, concerns, ideas or just feedback on how we are doing.

Martin J. Eley, Chair-President
