

## Welcome to Con-Fuzion 2018!

First, we would like to extend our deepest gratitude to each and every one of you. Vendors, Artists, and Authors are what make conventions possible, and we realize that! If at any time we can assist you, leading up to, during or after the convention, feel free to reach out to us. Should you have any questions or concerns please message us directly so we can assist you one on one. We look forward to working with you all in just less than 2 weeks!

The floorplan has been updated. All Authors are now on the ground floor with other vendors :) There are a couple of spaces that have opened up. Should any of you want an additional space, message us and let us know. We will see what we can do to work with you!

Vendor/Artist/Author setup commences on November 2nd at 11am and concludes at 6pm. Saturday setup will be from 800am to 900am. VIP's enter at 9am, so all setup must be concluded by this time. Please do not arrive before 11am on 11/2, as we will be setting up the spaces to prepare for your arrival. Saturday the convention closes at 6pm. All vendors will need to be out of the building by 615pm. Sunday morning VIP entry starts at 9am, Vendors will be allowed entry on Sunday at 800am. Sunday the convention concludes at 5pm. All vendors need to be out on Sunday by 7pm.

Upon arrival, you will need to check in at the table at the front of the Green Hall, or at the Red Hall, depending on which you will be located. Please have a photo ID with you for check-in. Everyone will sign for their booth packet. After signing in, you will be given an envelope with your passes, a copy of your booth receipt, a map of the floor plan, and a booth directory (the same items that are being provided in this vendor email packet). As soon as you sign in you can go in to find your booth space. Once you find your booth space, (they will all be labeled) please return to your vehicle and get in line. Stay with your vehicle once you line up.

One vendor will load in at a time for each building, as you are directed. We will have staff on hand to assist with load in. All merchandise must be unloaded and brought in, and vehicle promptly moved before any setting up of your booth will occur. We will not tolerate scenarios where vendors setup their booth as they take their time unloading the vehicle, and blocking other vendors during the process. We anticipate 10 to 15 minutes for smaller vendors, and 20 to 30 minutes for larger vendors to unload all of their merchandise. Again, we will have 10 to 15 staff whose sole purpose during setup will be to assist you with getting your merchandise into your space quickly. If a vehicle is left at the front of the building(s) blocking other vendors, it may be towed.

Vendors with trailers can ONLY load in via the front of the buildings, do not turn down the drive between red and green halls, it is a dead end. Only cars will be able to utilize this roadway and

the side doors for load in. All cars, regardless of Red or Green hall will need to park in the right, or West side of the drive to unload. DO NOT block both lanes. You will be towed.

After your merchandise is unloaded, please park just to the west of the rec center by the ball fields. We need the parking lots in the front un-congested to better facilitate load-in. If you require handicap parking, there are designated handicap parking spots at the front of the rec center. If you have a trailer, we ask that you either take your trailer to your hotel and drop it there, or you are free to drop your trailer at Top End Gaming. TEG is only a block from the PD and the PD will be patrolling the parking lots at the Rec Center as well as TEG to provide heightened security for the event and vendor trailers.

Please review the Vendor Application located at [Confuzion.net](http://Confuzion.net) before 11/2. Again if you have any questions, let us know and we will find you an answer!

Any vendor requiring power ran to their booth must inform us no later than 10/27. After that date, we cannot guarantee that we can provide power for you.

No one shall be allowed to park for any reason behind any of the rec center buildings. This parking is for Rec. Center and Convention Personnel only. If you do, you may be towed.

The address to the venue is:

Muscle Shoals Recreation Center  
1000 Gattman Park Dr.  
Muscle Shoals AL 35661

Thank you,
