DUBLIN EDUCATION ALLIANCE

2025-2026 Annual Report

Letter from the PRESIDENT

A Defining Chapter

This year marks a defining chapter for the **Dublin Education Alliance.** What began as a grassroots effort led by dedicated parents has grown into a powerful, community-driven organization delivering meaningful results for students across the Dublin Unified School District.

A Major Step in 2025

In 2025, we took our first major step by **funding campus supervision** across all elementary schools to improve student safety and support.

Building Momentum in 2026

In 2026, we built on that momentum in a transformative way. Thanks to the generosity of our community, we **expanded our direct support** for academic services and student success initiatives.

Our Core Belief

These investments reflect our core belief: **every student deserves access to the resources, support, and opportunities needed to thrive.**

Deep Gratitude

We are deeply grateful to our donors, volunteers, educators, and families. Your support is not only fueling programs—it is shaping the future of our schools.
