Katya Faris - Strohm: "Introduction to Vedic Astrology, Jyotisha: The Science of Light"

Katya Faris, M.A. ethnomusicology, is from Hindustan, Indiana, and is a certified Jyotishi, or sidereal Vedic astrologer. She studied Western astrology for thirty years, and then switched to Jyotisha, or Vedic astrology "The Science of Light", in 2010. She has also been a professional Tarot reader since 1989 and received a certification with the Builders of the Adytum in Los Angeles through their correspondence course. She is also Master level Reiki healing practitioner and received certification in 2014. Katya likes to use Vedic astrology as the base of her reading, but if a client needs additional help, she will pull a Tarot card, or do a short five to ten-minute Reiki session for them, or put their name on her Reiki grid for long distance healing.

Katya is teaching a class this weekend, "Introduction to Vedic Astrology, Jyotisha: The Science of Light". This an hour-long class where she will explain what Jyotisha is and how it is different than Western astrology, then she will go over the current planetary transits and explain their significance on an individual and collective basis.

To learn more about Katya, please visit her website at: www.hindustanastrology.com

Readings Available: They will be booked on a first come/first serve basis; to secure your time go to her consultations page to schedule.

Lucy Francis: Holy Fire ® III Reiki Talk and Healing Experience

"While Reiki is typically a hands-on touch-based Service, it can be sent at a distance. For this Experience, Holy Fire Reiki Healing will be transmitted through a group meditation."

More than just a talk, this is an easy and enjoyable way for people to be introduced to Holy Fire ® Reiki and receive it's powerful healing at the same time. Holy Fire ® Reiki was first introduced by William Lee Rand and the International Center for Reiki Training in January of 2014 as a new form of Reiki. It is both powerful and gentle and provides purification, healing, empowerment and guidance. The Holy Fire energy is noticeably more refined and comes from a higher level of consciousness, where it: Always respects free will; Heals deeply and quickly without distress; Heals relationships and interactions with others; Releases worry and replaces it with a sense of safety in a most pronounced way; Tends to develop all the personality traits that are healthy for a person to have such as love of self and others, kindness, patience, confidence, vitality, enthusiasm, optimism, trust, joy, peace, and so forth; and one of the more wonderful effects is a feeling of being loved.

Reverend Lucy is an Ordained Priestess in the Order of Melchizedek, an ancient Service order dedicated to teaching the way of Unconditional Love. She is an Usui/Tibetan Shiki Ryoho Reiki Master Teacher, a 12th Ray Inter-Dimensional Healing Master Teacher, a Holy Fire III ®/Karuna Reiki Master Teacher, and a Certified Angel Intuitive. Lucy has 35+ years of experience in the healing professions, with two degrees, a BA in Psychology and a MA in Counseling. She studied directly with Albert Ellis, widely considered one of the most influential psychologists of the 20th century, at the Albert Ellis Institute in New York City. Seamlessly blending her education and wealth of experience with the spiritual/metaphysical realms, she also uses Essential Oils, Channeled Toning and Sound, Pranic Healing concepts, ZEB (ZeroEnergy Balancing) technology and Hypnotherapy to support the healing process. A World Peace Ambassador for the Divine, Reverend Lucy travels extensively; teaching, healing, holding ceremony, and spreading the frequencies of Love wherever she goes.

Vanessa Salazar: “ANGEL ATTUNEMENT: ENERGETICALLY ACTIVATE AND AWAKEN YOUR COMMUNICATION WITH ANGELS”

***THOSE ATTENDING THE WORKSHOP WILL RECEIVE AN ANGELIC ATTUNEMENT**

When a person has the desire to begin connecting to angels, they may need to go through a shift and clearing in their energy vibration. Angels have a gentle but high energy that is easier to notice when your vibration is higher. Come and learn how to connect and awaken your connection to angels, and to recognize the different angelic messages and signs available during your own spiritual journey. The attunement is channeled and given during the workshop by Vanessa Salazar and it will assist you with this process. Vanessa will explain the attunement process and speak about her experiences with angels and how they have helped her and continue to do so.

Vanessa is an accredited registered member of the International Practitioners of Holistic Medicine professionally offering her services to clients since 2009 as a psychic medium, holistic practitioner and paranormal investigator. She connects and channels divine universal energies; angels, guides, light beings, and energies from sacred sites anchoring them to promote healing, and empowering others by directing energy where needed to bring about positive change. She also does non beneficial/negative energy clearings and spirit attachment clearings too on homes, objects and people. Vanessa also connects with spirits during readings and paranormal investigations. She’s also certified in numerous holistic therapies such as Usui Reiki, Kundalini Reiki, Integrated Energy Therapy, Metatronia Therapy, and more, and is a Deeksha Oneness Blessing Giver. Vickie Ball - Seiter: Moving forward with a Person Trainer for your Person Development

Vickie Ball-Seiter wants to see you move into a more fulfilling life YOU have designed. Sometimes, during coaching sessions, Vickie partners with sentient beings (horses) to explore from a different perspective. I have worked and lived in Austria, then owned and operated a Band Instrument Repair Technician sole-proprietor corporation after moving back to the US. I made my own choices based on my intuition. Many have told me, "You can't do that", or "You can't be successful doing just that". I did not succeed to prove them wrong; I did these things because I believed in myself. I am a certified Life Coach, a certified Equine Assisted Coach and a Reiki Master.

I am an expert at creatively moving outside the box and finding gratitude. Experiencing other cultures has inspired me to incorporate aspects from other business practices and cultures to create my own fulfilled life. I stand for nurturing sensitivity as an exceptional strength. I create a safe space for you to explore and find ways for you to believe in yourself again to create your own fulfilled life.
