Angelia Herrick: “I CREATE” - Together we will explore the power of the Ego, its origins, its many identities and operations in our lives, its only purpose, and the ways in which we change its control in leading and creating our daily lives to making it a humble servant and not our master. We will talk about the nature of Consciousness and our "realities", vibrational frequencies, and how we must mindfully choose to create every Now Moment from The Pure Spirit of Love rather than The Ego that only dwells only in Fear.

Angelia is Psychic Intuitive, Empath, Master Healer, Teacher and Coach. She has spent most of her life journey studying and interested in all aspects of Spirituality. Through a lifetime of spiritual journey, travel to energy vortices and hotspots inside and outside of the United States, voracious study and research, and empathic and channeling experiences, she has discovered what many Masters have taught. That the ultimate Truth is We Are All One. That there is only One of us, and I am IT, and you are IT, and everyone is IT, that there simply is nothing that IT is not. That The Source of All That Is, is exactly that, The Source. Quite simply The Source of All That Is endows and allows all things; and most important of all, endows and allows all things freely and without judgement.
