### **Lucy Francis: Holy Fire ® III Reiki Talk and Healing Experience**

**“While Reiki is typically a hands-on touch-based Service, it can be sent at a distance. For this Experience, Holy Fire Reiki Healing will be transmitted through a group meditation.”**

More than just a talk, this is an easy and enjoyable way for people to be introduced to Holy Fire ® Reiki and receive it's powerful healing at the same time. Holy Fire ® Reiki was first introduced by William Lee Rand and the International Center for Reiki Training in January of 2014 as a new form of Reiki. It is both powerful and gentle and provides purification, healing, empowerment and guidance. The Holy Fire energy is noticeably more refined and comes from a higher level of consciousness, where it: Always respects free will; Heals deeply and quickly without distress; Heals relationships and interactions with others; Releases worry and replaces it with a sense of safety in a most pronounced way; Tends to develop all the personality traits that are healthy for a person to have such as love of self and others, kindness, patience, confidence, vitality, enthusiasm, optimism, trust, joy, peace, and so forth; and one of the more wonderful effects is a feeling of being loved.

Reverend Lucy is an Ordained Priestess in the Order of Melchizedek, an ancient Service order dedicated to teaching the way of Unconditional Love. She is an Usui/Tibetan Shiki Ryoho Reiki Master Teacher, a 12th Ray Inter-Dimensional Healing Master Teacher, a Holy Fire III ®/Karuna Reiki Master Teacher, and a Certified Angel Intuitive. Lucy has 35+ years of experience in the healing professions, with two degrees, a BA in Psychology and a MA in Counseling. She studied directly with Albert Ellis, widely considered one of the most influential psychologists of the 20th century, at the Albert Ellis Institute in New York City. Seamlessly blending her education and wealth of experience with the spiritual/metaphysical realms, she also uses Essential Oils, Channeled Toning and Sound, Pranic Healing concepts, ZEB (ZeroEnergy Balancing) technology and Hypnotherapy to support the healing process. A World Peace Ambassador for the Divine, Reverend Lucy travels extensively; teaching, healing, holding ceremony, and spreading the frequencies of Love wherever she goes. ### **Victor Dutro, Ph.D./c Esotericism,: “Recognizing your Soulmate” and “Find your life’s purpose!”**

Most people would think that their Soul mate is some person out there in the world. We do have Soul mates and A Soul family but most people don't realize is that the Personality is busy trying to find the marriage made in heaven is some other person. But a persons that awakens to their Soul and then builds that relationship with the Soul is the real objective and purpose of why we are here. We can also find a person that is a member of the same Soul family and this person could be the one to build a relationship with. But all relationships end. Either by death, or for some other reason, but the relationship with one’s Soul lasts for lifetimes. Over much development the personality and Soul fuse and become One. This is the true marriage. Awakening to Soul consciousness is becoming aware of this objective.

Victor has been involved for over thirty years in the healing arts, from Touch for Health Instructor, Bio Kinesiology, Psychological Kinesiology, Transformational Kinesiology, and many others. Reiki Master, and attended the Morya Federation Schools of Meditation, Study, and Service. He has served on its faculty for the past ten years. He is currently writing his doctoral thesis on using Spiritual Kinesiology to communicate with the Soul to heal the body and expand consciousness.

A Spiritual Teacher: knowing the teachings and ways of most major religions. Her teaching specialties being in Indigenous Ceremonies of North American Indians, East Indian Bhakti Yoga meditation, and Biblical gifts of the Spirit. In the summers she travels to musical festivals and small venues teaching prayer, meditation and healing crafts. She was given the gift of healing and sight as a child, which was helped developed by my Appalachian Cherokee grandmother Odessa and Apache Blackfoot grandfather JC Foster along with much prayer and guidance from the Great Spirit. **Angelia Herrick: "I CREATE"** Together we will explore the power of the Ego, its origins, its many identities and operations in our lives, its only purpose, and the ways in which we change its control in leading and creating our daily lives to making it a humble servant and not our master. We will talk about the nature of Consciousness and our "realities", vibrational frequencies, and how we must mindfully choose to create every Now Moment from The Pure Spirit of Love rather than The Ego that only dwells only in Fear.

Angelia is Psychic Intuitive, Empath, Master Healer, Teacher and Coach. She has spent most of her life journey studying and interested in all aspects of Spirituality. Through a lifetime of spiritual journey, travel to energy vortices and hotspots inside and outside of the United States, voracious study and research, and empathic and channeling experiences, she has discovered what many Masters have taught. That the ultimate Truth is We Are All One. That there is only One of us, and I am IT, and you are IT, and everyone is IT, that there simply is nothing that IT is not. That The Source of All That Is, is exactly that, The Source. Quite simply The Source of All That Is endows and allows all things; and most important of all, endows and allows all things freely and without judgement.

It is through this myriad of lifetime study and broad experiences that her perceptions of reality expanded to receive the gifts of 'higher realm' knowledge through multiple Clair senses, and at times a recipient of massive downloads of Light information (Light is information). With these expansions in consciousness she also began to perceive multiple dimensions and multiple timelines for this reality, perceive the holographic nature of reality and the multi-verse itself. The Services she offers, the Workshops and Sacred Circles she holds help others find spiritual upliftment, guidance, and unfoldment as well as health and healing through various metaphysical techniques and practices. She specializes in coaching and navigation for those on a Twin Flame Lightworker path and those who experience timeline jumping and/or multiple reality perceptions which are her own personal journeys in this lifetime. She has a range of certifications in healing including ThetaHealing, Multi-Dimensional Healing, and Reiki which treat individuals as a whole Being. Body, Mind, and Spirit. **[HigherRealmLiving.com](http://HigherRealmLiving.com)**
