"HARNESSING AND TRUSTING YOUR INTUITION FOR EVERYDAY LIFE DECISIONS"

****Those attending the workshop will receive a Third Eye energy clearing, healing, balancing and activation.***

The third eye is your inner vision providing perception beyond ordinary sight.

By using your intuition, you are accessing a deeper intelligence. Intuition is when we automatically have access to immediate knowledge. Have you ever met someone and just didn't like them at all? Did you ever change your mind at the last minute to later find out you avoided danger? Did you ever know you weren't supposed to do something and did it anyway to later regret it? Intuition is our sixth sense, our gut feeling, our inner voice, our instinct, and much more. We are conditioned to make rational decisions in our daily lives and therefore place our intuition aside. Vanessa will explain how you can begin harnessing and trusting your intuition for everyday life decisions, or further develop it.

Vanessa is an accredited registered member of the International Practitioners of Holistic Medicine professionally offering her services to clients since 2009. She is a psychic medium, holistic practitioner and paranormal investigator. Vanessa connects to energies; people, the deceased, objects, animals, land, homes, situations, etc. during her energy readings, energy sessions and paranormal investigations. She connects and channels divine universal energies, archangels, guides, your higher self, saints, light beings, and energies from sacred sites to promote healing, peace and empowerment. If negative energies or entities are affecting you, prayers, general clearings, spirit attachment clearings, and energetic blockage removal may be done. Vanessa can also explain and provide you with different tips and tools on how you can clear and protect yourself.

She's also certified in numerous holistic therapies such as Usui Reiki, Kundalini Reiki, Integrated Energy Therapy, Jourei, and Metatronia Therapy. She is also a Deeksha Oneness Blessing Giver. Vanessa also offers a variety of psychic development and angel workshops taught in a group setting or to individuals.

Christina Schwind, The Acceleration Expert:

“Reclaiming Your Dreamtime: Secrets to reclaiming your power of dreaming the world into being” and

“Keys to accelerating Psychic Intuitive abilities”

Christina is a new paradigm visionary and acceleration expert. She has a unique approach to advancing the spiritual gifts of healers, starseeds, and new paradigm wayshowers by unwinding intuitive blind spots and assisting them in reclaiming the power of their dreamtime.

In the 90's, She began her work on two fronts one with indigenous record keeper Barbara Hand Clow, mastering a multidimensional activation process, which led her down a rabbit hole of experiences with extraterrestrial and interdimensional beings. The second was with a collective of ancient wisdom keepers from the Andes of South America, Masters of Dreamtime and living life force energy. These masters were among the first to teach her about the veils of death, gifting her the transmissions for what they called the 'new human', the bringers of the new paradigm.

Today she is the founder and director of the Lightbody Academy, a global online academy that

is dedicated to empowering our awakening world. Lightbody's main purpose is to help our

human family cultivate healthy autonomous exo-species relationships so humanity can step

into their role as sovereign creator beings of this planet again.

Ryan Wefelmeyer: The Consciousness Of Reality

Years ago, Ryan became fascinated with the paranormal, and decided to set out on his own to see if it was real or not; very quickly he had experiences that proved to him that there is something beyond our 3D world. During my adventures, he fell in love with filming and eventually produced an award-winning series called "The Hinsdale Archives" which can be found on Amazon Video. As the years went by, he eventually discovered his ability to accurately provide tarot readings and intuitive readings for people. He dove into the realm of spirituality and expanded his connection to consciousness. Currently, he still explores the paranormal and is constantly trying to grow in understanding the power of Spirit and how to naturally heal and grow as well as receive messages from the other side. In his spare time he buys and sells crystals and spiritual items, as well as, channels spirit while he works on his soy based premium candles.
