Vanessa E. Salazar

"HARNESSING AND TRUSTING YOUR INTUITION FOR EVERYDAY LIFE DECISIONS"

****Those attending the workshop will receive a Third Eye energy clearing, healing, balancing and activation.***

The third eye is your inner vision providing perception beyond ordinary sight.

By using your intuition, you are accessing a deeper intelligence. Intuition is when we automatically have access to immediate knowledge. Have you ever met someone and just didn't like them at all? Did you ever change your mind at the last minute to later find out you avoided danger? Did you ever know you weren't supposed to do something and did it anyway to later regret it? Intuition is our sixth sense, our gut feeling, our inner voice, our instinct, and much more. We are conditioned to make rational decisions in our daily lives and therefore place our intuition aside. Vanessa will explain how you can begin harnessing and trusting your intuition for everyday life decisions, or further develop it.

Vanessa is an accredited registered member of the International Practitioners of Holistic Medicine professionally offering her services to clients since 2009. She is a psychic medium, holistic practitioner and paranormal investigator. Vanessa connects to energies; people, the deceased, objects, animals, land, homes, situations, etc. during her energy readings, energy sessions and paranormal investigations. She connects and channels divine universal energies, archangels, guides, your higher self, saints, light beings, and energies from sacred sites to promote healing, peace and empowerment. If negative energies or entities are affecting you, prayers, general clearings, spirit attachment clearings, and energetic blockage removal may be done. Vanessa can also explain and provide you with different tips and tools on how you can clear and protect yourself.

She's also certified in numerous holistic therapies such as Usui Reiki, Kundalini Reiki, Integrated Energy Therapy, Jourei, and Metatronia Therapy. She is also a Deeksha Oneness Blessing Giver. Vanessa also offers a variety of psychic development and angel workshops taught in a group setting or to individuals.
