CindyRiggs.com

Sunday - Rapid-Fire Clearing Techniques

Cindy Riggs will discuss energies that “block” us, and will demonstrate some of her most powerful energy “healing” techniques to create rapid, positive shifts! She can quickly separate anxieties, remove energetic obstacles, clear unnecessary energies, and many more of her Defragmenting techniques to help you along your path to enlightenment, success and happiness. Everyone gets to experience a clearing! Prepare to feel lighter and better! CindyRiggs.com

Cindy Riggs has been communicating with the spirit world since 1996 and is a universal trance channel of high-level spirit consciousness. Cindy's newest book: *COMMANDIFESTATION: Commanding Manifestation* - Are you ready to change your life in positively miraculous ways? Cindy Riggs coined the term “Commandifestation” to describe the shortcut to discovering your life’s purpose and aligning with new opportunities, success, love, health, fulfillment, peace, and contentment beyond your wildest dreams! Commandifestation describes a more certain and effective method for getting answers and manifesting (magical, frankly!) including some concepts not found in most spiritual philosophies, and it may be simpler than you realize. All that is required is an open mind and willingness to entertain new concepts that can benefit all aspects of your life. Learn who you really are, what may be blocking you, and how to eliminate the blocks; then learn how to receive messages from your inner guidance, attract abundance, and unlock limitless potential using this comprehensive yet straightforward method. Prepare to be astounded with your new, exciting life! Get your signed copies of *COMMANDIFESTATION: Commanding Manifestation* from Cindy here at the show! (Also available on Amazon and Kindle.)

Dave Scarbrough: "Communicate With your Spirit Guides "

Dave Scarbrough Communicating with your spirit guides Dave Scarbrough has been active in the spiritual community in Columbus for the past 20 years and has received training in reiki, hypnosis, life coaching, stress reduction techniques, and meditation. Currently he is a practitioner at the Center of Healing Arts in Columbus. In this workshop he will take you through a guided meditation where you will communicate with your spirit guides and obtain information from them which you may have been seeking.

After earning degrees in business management and social work, Dave worked in the corporate world for a couple decades before he was inspired to start asking and exploring some of the larger questions in life like, "Who am I?", "Why are we here?", and "How should we live?" This was about 20 years ago, and he decided at that time to begin a dedicated meditation practice. This led him to the study of Hypnosis and Reiki, both of which he continues to study and practice today in the form of Hypnosis and Reiki sessions, as well as Reiki classes. Since then, he has broadened his practice through studying and receiving certifications in Meditation Training, Sound Healing, HeartMath® Breathwork, Emotional Freedom Technique, and Life Coaching. All these holistic modalities have given him a more positive outlook on life, and he uses them to help others do the same. Everyone's needs are different, but Dave greatly values his diverse experience and training, allowing him to tailor his treatment to meet the individual needs of any that engage with his services. Above all else, Dave hopes to assist clients with accessing their own innate healing abilities to combat whatever struggles they're experiencing.

Charissa Pack - “Secret Holistic Remedies”

I come from a family of holistic healers. My father was a chiropractor and my mother is a Master Gardener with The Ohio State University. My education started in Bio Chemistry at Capital University and continued through a journey to a Masters in Special Education through Muskingum University. I have traveled through different parts of the world to experience and explore different cultures of healing.

As a perpetual learner and teacher, I want to inform people of holistic remedies that are tried and true. Help your body to detox and feel fantastic with simple solutions. As part of my session I will provide additional resources for your holistic healing journey.

*Please note that I am not a doctor and you should consult your doctors for any health concerns.

Lucy Frances - “HOLY FIRE III Reiki Talk and Healing Experience”

More than just a talk, this is an easy and enjoyable way for people to be introduced to Holy Fire ® Reiki and Receive it's powerful healing at the same time. First introduced in 2014, Holy Fire ® Reiki comes from a higher level of consciousness. As a new form of Reiki, it is both powerful and gentle, providing purification, healing, empowerment, and guidance.

The word reiki is made of two Japanese words. Rei which means “Universal” and Ki which is “Life Force Energy.” So Reiki is “Spiritually guided Life Force Energy.” Reiki is a type of energy healing and a form of spiritual practice, used as a complementary healing modality, for physical, emotional, mental, and spiritual conditions. Reiki is best held in a peaceful setting, but it can be carried out anywhere.

Spiritual Horizons is a Spiritual Center anchoring the energy of these qualities into this part of the planet, to assist with the emergence of the New Golden Era. We are forming a Community, a community of Love and Light, as a visible manifestation of a New Earth. Our Mission is to embody these qualities as best we can, knowing we are not yet complete, so being patient with our own progress. Our Mission also includes assisting others with embodying these qualities for themselves, for as the energies shift, our way of living shifts.

Learn about these and other amazing experiences as well as the brief words uttered in clarity by her dad with ALS, who had been unintelligible before, as he came to see her for the last time. A single butterfly hovered on the window behind her as she gave the eulogy. And, there will be time for you to share your own stories as well. The presentation is FREE with your expo admission.
