Katie Cataldi - Known for her Crystal Healings

“Heal yourself with Crystal Surgery” and “Healing with Megalithic sites”

Megalithic Healing: How working with ancient sites can accelerate your personal healing

Katie Cataldi, owner of Tree of Life Wellness, shares powerful personal stories and healing experiences from sacred megalithic sites in Ireland, Mexico, and most recently Egypt. A certified Reiki Master Teacher, Master Crystal Surgery Practitioner, Sound Healing Practitioner, and Mindfulness Coach, Katie has devoted herself to energy healing modalities since 2019. In 2023, she began traveling to ancient stone sites as part of her soul’s mission and was deeply surprised by the profound physical, emotional, mental, and spiritual healing these locations offered when approached with intention.

This presentation focuses on Katie’s recent solo journey through northern and southern Egypt in February 2026, where two weeks immersed in ancient temples and sacred spaces helped resolve long-standing challenges—even after years of personal healing work. These sites demonstrated how ancient energies can catalyze rapid and lasting transformation.

Attendees will gain insight into how sacred sites hold powerful healing frequencies and how working consciously with them can support deep personal shifts. Katie will also share information about her upcoming Egypt journey in November 2026 for those feeling called to experience the magic firsthand.

James Hetzer - "Becoming Spiritual Readers and Healers"

My introduction to Spiritualism came when one of our company operators called me up to say, "You're into weird stuff. You should go to the Spiritual Forum at the First Spiritual Temple." She was right. I went to three Saturday forums where I could get spiritual readings all day for a total of \$20. When I went to my 3rd Saturday Forum, the senior minister, Rev. Nancy, said, "We're a church". I looked up at the ceiling of the Fellowship Hall and said, "I know that." She looked at me and said, "We have service

on Sunday and spiritual development classes on Wednesday. You should come."

I knew that people could get information from Spirit because of the Forums, but I didn't think I could do readings. I was an engineer and very analytical. In time, I got tag-on messages. The first example was a woman said to another woman, "I see you in a robe." I added, "The robe is green and purple." Over a few months, I became better at being a reader. Each Wednesday class had readings and healing sessions. I became a reader and a healer.

Today, we are going to go over the process of becoming readers and healers. Some of you will immediately be able to get messages. The basis of becoming a reader is to quiet your mind so that you can hear the Wee Still Voice. Your challenge will be to trust that you are getting Spiritual information, and not just making it up. After you start getting messages for yourself, you will be able to give messages to others. This can be tricky. Not everyone wants to hear your messages from Spirit. Obey their request. It is very important to have an attitude of compassionate detachment. You should not hope for a particular message from Spirit. Give out what you get. Finally realize that your Spiritual information comes from many sources, and some will be more helpful than others.

Dawn Thompson, Dawn of The New Era - "Venusian Rose Circle"

Enter the temple of the rose with Dawn of the New Era practicing devotional discipline, ancient authority unveiled through undulating activations of a full body reclamation of your role as your own enchantress of your rose eros. Unwinding, and unfurling into that infinitely intimate infinity of the Venusian Rose Essence. A sight, sound, scent, taste, and touch that must be fully imbued into every cell, fiber, facet, and phases of each of our body temples of love.

The Venusian Rose Healings and Temple Initiations are a direct blueprint on how to reclaim your erotic innocence, shake off the shackles of shame around your sacred anima body and step into the highest version of your feminine form to support the awakening of this planet.

In our time together in a Venusian Rose activation workshop, we will clear away the karma drama, melt away any mask, marks, of the mundane, making space for the medicinal magic of the Rose. Allowing for that sweet opening of your Rose heart through oil anointing, breath work, mudra and a sacred 4 chamber meditation.

This workshop is open to all genders in support of awakening the feminine powers within.

Dawn Thompson (AKA Dawn of the New Era) is an Intuitive mystic, holy creatrix and divine feminine life coach. Located in Columbus, Ohio, her ability to transform a traumatic past and strong psychic abilities brought her to the path of helping others.

A descendant of the Gnostic rose lineage, she uses energy healing codes, ancient wisdom, and shamanic medicine tools to guide others into their authentic life purpose.

She is the founder of the New Era Academy, New Era Awakenings podcast, and facilitates New Era intuitive guidance coaching.

Teresa Puthoff - “Essenian and Pleiadian Healings”

The Holy Essenian Healings methods are heart centered, ancient 5th dimensional healings practiced by the Essenes including Jesus and Mary Magdalene. These ancient healing techniques have been placed back on earth at the request of Mother Father God through Jesus and Mary

Magdalene, Henk Mulder and Lisa Lux of the Academy of the 13 Essenian Arts of Healing. The word Essene means healer. The Essenes knew the power of stones, how to clean them, charge them up and use them for healings. They understood how to create geometric energy fields using the power of specific stones, how to use toning, breathwork, the power of the mind and the power of love to heal. The Essenian healings affect the Sophisticated Organized Energy Field (S.O.E.F.) which is an energy field in and around our body, where all physical and mental functions are programmed. These healings come from the highest energy source of unconditional love which we call Mother/Father God.

Teresa is a Reiki Master (Usui Shiki Ryoho), Essenian Healer and a trained Energetic Leader of the Pleiadian Healing Circle. She is currently in training to become an Essenian Master. www.moonstonecenterhealings.org

Iggy Garcia - “Urban Shamanism”

Hello, I’m Ignacio, but you can call me Iggy. I’m proud to be a native of Peru, South America, and deeply connected to the sacred traditions of Peruvian Shamanism. I walk the Red Road with The Condor Eagle Society and The Native American Church of Nemenhah, holding roles as a Peruvian Shaman, Medicine Man, Minister, Chief, and Elder. My journey has led me to serve as a spiritual leader in my community in Columbus, Ohio.

Beyond my spiritual path, I am a published author, speaker, blog writer, entrepreneur, and radio host. For more than 20 years, I have been the editor and producer of www.withinsightsradio.com, hosting a weekly podcast that explores holistic living, spirituality, and personal growth.

As Chief of Public Relations for The Condor Eagle Society and a Holistic and Metaphysical Practitioner, I am deeply engaged in numerous healing modalities. I am also a certified Shahaptian Guide Medicine Man through the Nemenhah Indigenous Traditional Organization (NAC). This certification authorizes me to perform sacred ordinances using plants, animals, stones, feathers, and other elements in ceremonies aligned with the Shahaptian Healing Way, as outlined in the Nemenhah Constitution and restored by Wyakin. My heart and work are closely tied to The Condor Eagle Chapter House in Columbus, Ohio.

My expertise spans various practices, including intuitive mentoring, drum healing, drum circles, remote healing, body energy work, Inca meditation, and open chair Gestalt therapy. I also hold the title of Chief of Tiwehkthihmpt of Itsipi Society within the Great Lakes region.

Through my work, I strive to empower individuals to unlock their healing potential. I believe that healing begins with self-awareness and understanding the power we hold within ourselves. Past traumas can weigh us down, but by embracing the present moment as a gift from our Creator, we can move forward and live fulfilling lives. Every person has something valuable to offer the world and the universe.

Dr. Ryan . Brown - “The Freedom Loop with Dr. Ryan C. Brown”

Join Metaphysician Dr. Ryan C. Brown for an empowering, experiential workshop on The Freedom Loop™... a clear, six-step metaphysical framework that reveals how your chosen perspective programs your heart's electromagnetic field to shape perception, belief, behavior, experience, and ultimately reality itself. Rooted in heart–brain coherence science and sacred geometry, including the energetic intelligence of Metatron's Cube, this workshop explores how consciously selecting a higher perspective, such as “I Am Love,” creates smooth, coherent energy that naturally magnetizes matching experiences. When any part of the loop falls out of alignment, distorted or “jagged” signals disrupt manifestation and keep unconscious patterns repeating. In this engaging session, Dr. Brown will guide you through the Freedom Loop diagram, teach simple tools to recognize incoherence in real time, and show you how to realign each quadrant of the loop to restore flow, clarity, and intentional creation. Change your perspective. Change your signal. Change your reality. This workshop is ideal for anyone ready to stop running unconscious loops and step into conscious mastery of their heart-centered source code.

Debbie Keri-Brown (Lorelei), Intuitive Oracle Card Reader

“Synchronicity And Divine Intervention”

It's not a coincidence that you're reading this. Synchronicities are winks from the cosmos. They can be a singular event that sparks a chain reaction in our lives. Many people call them "coincidences" but in fact, there are no coincidences because everything happens for a reason. They can guide or warn us, affirm a truth or capture our attention.

Debbie Keri-Brown, known as "the synchronicity lady", will share her personal stories of crackers that showed up in time to feed the homeless, the brooch that did not sell because it was destined to be reunited with a family member, money that appeared in a purse to pay a bill, the angel wings that appeared on a window to offer comfort in a pending danger and more heartwarming stories.

You'll learn how to recognize the signs, see how they're all around you and how to bring more synchronicities into your life by being in the flow! There will also be time for you to share your own stories.

Debbie Keri-Brown is a motivational speaker on 15 spiritual and esoteric topics, Reiki Master, nondenominational minister, intuitive oracle card reader, published author and an antique dealer. Stop by her booth at the Gift Of Light Expo this weekend! She speaks at expos and events throughout the area in her lively and compassionate style with her authentic NYC accent. She is the recipient of several community service awards including the Spirituality Award From Purpose For Women.

Ammatara Noel - Somatic Healing & Energetic Hygiene: So often we carry unresolved experiences in our bodies — tension, anxiety, or heaviness that lingers long after the moment has passed. In this experiential talk, Ammatara will guide you to tune into your body as you bring to mind something unresolved, and then gently release what is ready to be let go. You'll also learn practical tools to keep your nervous system calm, your energy field clear, and your spirit grounded in daily life. Together we will explore how every situation in life is happening for you, not to you — as part of your soul's evolution. This session closes with a collective healing, leaving you lighter, clearer, and reconnected to the truth that the answer is always more love.

Sunday - “Healing Your Ancestral & Genetic Lineage ” Fulfilling Your Purpose as a Soul Warrior/Lightworker Through Awareness, Energetic Release, and Soul Embodiment Many lightworkers and soul warriors carry a deep inner knowing that they came here for a purpose that extends beyond their own life. One of the most profound aspects of that mission is the healing of the ancestral and genetic lineage. For many awakened souls, the family of origin is almost never the soul family. Instead, we often incarnate into lineages that hold unresolved wounds, patterns, and distortions that our souls agreed to help transform. In this presentation, we will explore why so many lightworkers and soul warriors are placed within challenging family systems and how this connects to the larger purpose of lineage healing. We will discuss how trauma, beliefs, emotional patterns, and energetic imprints can travel through the genetic and ancestral lines—moving both backward and forward in time. You will learn how your soul may be working not only to heal yourself, but also to release and transform patterns carried by generations before you while simultaneously changing what is passed forward to future generations. During this presentation, I will explain:

- Why many lightworkers incarnate into non-soul-family systems
- How ancestral and genetic patterns are carried energetically and biologically
- The role of the soul warrior in transforming lineage patterns
- How healing work can move both backward and forward through time
- Ways to consciously participate in your lineage healing mission

We will also move beyond discussion into direct experience. Together, we will participate in a guided energetic release and healing process designed to help clear ancestral burdens, release inherited energetic patterns, and restore alignment within yourself and your lineage field. This experience is intended to support participants in stepping more fully into their soul purpose while bringing healing not only to themselves, but to the generations that came before and the generations yet to come.
