Tina Chapin - WHAT DO I DO?

I am a skilled palm reader, specializing in the analysis of hands and fingerprints. This practice combines learned expertise with intuitive insight. As a Reiki Master and energy worker, I believe that the hands serve as a mirror, reflecting our inner selves. Just as we evolve, our hands also reveal subtle changes that mirror our growth. Understanding ourselves is key to unlocking our fullest potential and living a more fulfilling life. Through hand reading, you gain profound insights into the meaning behind your palm lines and discover unique characteristics that are distinctly yours. Your fingerprints, formed before birth and unchanging throughout your life, hold valuable clues to your soul's purpose. By exploring the wisdom of your hands, you can uncover deeper truths about yourself and shine even brighter in the world.

Debbie Keri - Brown – REIKI WITH CHANTING IN SIX LANGUAGES

Reiki Master, Debbie Keri-Brown, is guided to chant songs of peace and praise from various traditions during her presentation. The vibrational energy in her singing is transmitted from the angelic realms, other light beings and Source to harmonize the body, mind and spirit. The tones shift denser energies and activate higher frequencies within the person receiving the session. The presentation, when combined with the distance Reiki techniques, has the potential to stimulate repressed emotions, activate stagnant energy, bring inner peace, relieve stress, increase stamina, increase mental focus, enhance intuition, reduce anxiety, gain a deeper spiritual awareness and improve health.. She shares channeled messages as they come through and may be guided to sing songs that offer a message which are not part of her typical repertoire. She balances the chakras, clears energetic blockages, conducts a mini soul retrieval to reclaim lost parts of the soul and provides a cord cutting ritual. She will share inspirational stories from her sessions and the most import lesson she learned which was to trust in herself and follow the guidance she was receiving. Visit Debbie at her booth to experience a private session with her.

Debbie Keri-Brown is a motivational speaker, storyteller, nondenominational minister, Reiki Master who chants in six languages as she shares the sacred energies and she teaches fifteen different classes on esoteric and spiritual topics. She is the 2015 recipient of the spirituality award from Purpose For Women and several community service awards for her work in raising the awareness of the artistic talents of people with disabilities. Debbie is the spiritual advisor for the Spiritual And Miracle Society, working for a man who had spiritually transformative rainbow experiences. She is a published author, intuitive oracle card reader, jewelry artist, antique dealer and conducts ceremonies to heal Mother Gaia through solar light code activations.

At my booth - ALCHEMY FOR THE SPIRIT, DEBBIE KERI-BROWN - I'll help you connect with your authentic self through an intuitive, oracle card reading. I'll guide you through solutions to life's challenges and inspire you to rediscover your magic. You'll experience more clarity, a deeper understanding of your life, choices and options as well as ahhh haaa moments for your journey. As a nondenominational minister with a varied background of life experiences, my journey has provided me with the gift to understand and share from many different perspectives and not from a single minded approach. I'm here to help you with guidance about relationships, work, friendships, dreams, creative endeavors, your spiritual journey, synchronicities and more.

I'll also be sharing Reiki with chanting in six languages , transmitting the vibrational energy from the angelic realms, other light beings and Source to harmonize the body, mind and spirit. The tones shift denser energies and activate higher frequencies within you. Reiki has the potential to stimulate repressed emotions, activate stagnant energy, bring inner peace, relieve stress, increase stamina, increase mental focus, enhance intuition, reduce anxiety, gain a deeper spiritual awareness and improve health. I'll share channeled messages as they come through and might be guided to sing songs that offer a message which are not part of my typical repertoire. I balance the chakras, clear energetic blockages, conduct a mini soul retrieval and provide a cord cutting ritual.
