

Greetings from the A. L. Martin Foundation and Museum Board of Directors

We are reaching out to you to insure the legacy of our beloved A. L. Martin. The school provided a great education as well as career counseling for the students of Thomasville and its surrounding area. The school also provided entertainment for the community via its sports team, "The Bears" and its band and other school events. The A. L. Martin Foundation and Museum was created in 2013 as a place to insure its legacy and memorabilia.

This letter is an appeal to former students, educators, and community members to solicit funds to run the foundation and museum. Our goal is to make them a source of pride for the city of Thomasville, its surrounding area, the state of Alabama and eventually to a national level.

If you are in the area, please stop by to see all the work that is going on in and around the museum. Currently, we are installing a historic walking trail adjacent to the Baptist Building, near the location of the dorm of Thomasville Normal and Industrial School leading to the museum.

The A. L. Martin Foundation and Museum is incorporated as a non-profit entity in the state of Alabama. Therefore, you can be assured that your donations are tax deductible.

Donations should be made via check or money order and can be mailed to:

Friends of the A. L. Martin Historical Museum (ALMHH)
P.O. Box 979
Thomasville, AL 36784-0979

If you have memorabilia that you would like to donate or loan to the museum, please contact us. In addition to sharing memorabilia, we'd like to offer you the opportunity to volunteer at the museum or its events.

Best regards,

G. B. Quinney, Director
