

## Fan Favorite Scent Options For Bar Soaps

*All scents are phthalate-free*

### Steal Your Girl *masculine*

Smooth, bold, and unforgettable. With notes of lavender, vanilla, woods, and musk, this scent is pure charm in a bar—masculine, magnetic, and made to turn heads.

### Thousand Dreams *feminine*

A crisp blend of star fruit and peach opens into soft florals, grounded by warm musk, amber, and sandalwood.

### Luna *neutral leaning masculine*

Earthy and bold. Bay leaf and fir needle lead into crisp bergamot and cedarwood, with a smooth finish of sweet tobacco. A fresh, woodsy blend with depth.

### Lavender Essential Oil *neutral*

Pure, calming, and timeless. This classic scent soothes the senses with the gentle, herbal aroma of real lavender essential oil.

### Camo & Amber *masculine leaning neutral*

A blend of rich, alluring amber and earthy oakmoss complimented with hints of sage, musk, and lavender.

### Tropical Sunset *feminine leaning neutral*

A blend of rich, alluring amber and earthy oakmoss complimented with hints of sage, musk, and lavender.

### Oceanside Air *neutral*

A captivating aroma of fresh, ozonic ocean air coming off the coastline on a warm summer day.

### Unscented *neutral*

All the good soap without the fragrance. Great for users who might have skin sensitivities.
