WHAT WE BUILD

One design language across the home.

We create custom storage systems that use the space more intelligently and give every room a finished, built-in appearance.

Walk-In Closets

DRESSING ROOMS • STORAGE • DISPLAY

Reach-In Closets

MAXIMIZE EVERY INCH

Pantries

FOOD • APPLIANCES • SERVING

Laundry Systems

Garage

CABINETS • GEAR • TOOLS

CUSTOM MEASUREMENTS • WALL-BY-WALL DESIGN • MATERIAL SELECTION • FABRICATION • INSTALLATION

Measure it. Plan it. See it. Build it.

The customer sees how the room works before the project goes into production.

01

CONSULT + MEASURE

We document walls, doors, ceiling height, obstacles and how you want to use the space.

02

SKETCH + LAYOUT

A practical floor plan establishes the room, corners and usable dimensions.

03

WALL-BY-WALL

Each elevation is designed for hanging, drawers, shelves, shoes and accessories.

04

3D PREVIEW

A realistic view helps confirm proportions, storage balance and the overall look.

05

BUILD + INSTALL

Approved components are fabricated, delivered, installed and adjusted on site.

REALISTIC PREVIEW BEFORE PRODUCTION

WALK-IN CLOSETS

A dressing room designed around you.

Custom zones keep everyday clothing, shoes and accessories visible, organized and easy to reach — while giving the room a high-end built-in finish.

- Double-hang, long-hang and dedicated wardrobe zones
- Drawer banks, shelves, shoe towers and handbag display
- Open, enclosed or mixed cabinetry configurations
- Integrated lighting and premium accessory options
- Finish combinations from clean solids to rich wood effects

CUSTOM DESIGNED • BUILT TO FIT • PROFESSIONALLY INSTALLED

REACH-IN CLOSETS

Small footprint. Much smarter storage.

A standard closet can hold dramatically more when the interior is designed around real clothing lengths, shelf spacing and accessible drawer storage.

- Custom-fit systems for bedroom, guest and kids closets
- Double-hang layouts to increase usable hanging capacity
- Shelves, drawers and shoe storage where they matter most
- Optional doors, decorative fronts and upgraded hardware
- Clean, finished systems that feel built into the room

PANTRY SYSTEMS

Make every grocery run easier.

A custom pantry can organize food, countertop appliances, serving pieces, beverages and daily essentials in one efficient, beautiful system.

- Adjustable shelving and tall storage for bulk items
- Pull-out drawers, baskets and dedicated appliance zones
- Coffee stations, wine storage and serving areas
- Open display combined with concealed storage
- Layouts designed for visibility, access and easy restocking

CUSTOM DESIGNED • BUILT TO FIT • PROFESSIONALLY INSTALLED

LAUNDRY + UTILITY

Turn a work room into a system.

Built-ins bring order to detergents, linens, hampers, hanging clothes and household supplies — while creating a practical surface for folding and daily tasks.

- Upper cabinets, tall utility storage and open shelving
- Pull-out hampers and sorting solutions
- Folding counters, hanging rods and drip-dry zones
- Cleaning-supply storage designed around the room
- Coordinated finishes for a polished, furniture-like look

CUSTOM DESIGNED • BUILT TO FIT • PROFESSIONALLY INSTALLED

GARAGE ORGANIZATION

A garage that works as hard as you do.

Custom cabinetry gets tools, sports equipment, seasonal storage and household overflow off the floor and into purpose-built zones.

- Tall cabinets for bulk and seasonal storage
- Work surfaces, drawer storage and tool organization
- Open cubbies for frequently used gear
- Sports, golf, bike and outdoor-equipment zones
- Durable layouts designed for everyday access and cleanup

MATERIALS + FINISHES

The finish changes the entire room.

We commonly specify furniture-grade decorative panels, melamine surfaces and MDF options. Finsa is one of the manufacturers we use for its broad design and substrate offering.

FINSA DUO

Decorative melamine surfaces with solids, wood effects and abstract designs for furniture and interior applications.

SOLIDS • WOODS • TEXTURES

FIBRAPAN® MDF

Smooth, consistent MDF suited to machining, coated furniture components, doors and custom interior work.

SMOOTH • MACHINABLE

ACTUAL COLOR + TEXTURE SAMPLES ARE REVIEWED DURING DESIGN

FIBRACOLOUR®

Colored-through MDF creates distinctive edges, grooves and machined details — especially in black and anthracite applications.

CURRENT FINISH INSPIRATION

Blanco Medio • Gris 004 • Merino • Azul Acero • Roble Denver • Nogal Canaletto

Visual board is representative only; actual manufacturer samples govern final color and texture.

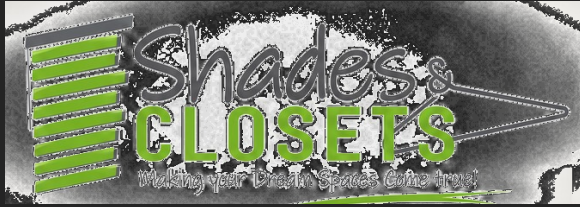

HARDWARE + ACCESSORIES

The details are what make custom feel custom.

Häfele is one of the hardware suppliers we commonly specify for drawer systems, closet rods, wardrobe fittings, lighting and organization accessories.

- Full-extension, soft-close drawer systems
- Black, aluminum, nickel and decorative closet rods
- Pull-down and motorized wardrobe-lift options
- Lighted closet rods and integrated LED solutions
- Internal dividers, valet rods and specialty accessories

FINAL HARDWARE IS SELECTED BY DESIGN, FINISH, SIZE + AVAILABILITY

CUSTOM WOODWORK • DESIGNED AROUND REAL LIFE

Let's create a place for everything.

From the first measurement to final installation, Shades & Closets makes the process visual, personal and easy to understand.

- Free in-home consultation
- Custom design — not pre-sized kits
- Wall-by-wall planning + 3D preview
- Material and hardware selections
- Professional fabrication + installation
