\*Package price covers one year of placement on cellsmatter.com. Renewal of the same content is \$500/year. Content updates, rewrites, or new promotional activity are scoped separately.

\*\*Sponsor may receive a \$500 discount if final publication-ready profile copy is provided. Cells Matter will format and publish the copy as submitted, subject to basic review for relevance, accuracy, and alignment with site standards. Substantive editing, rewriting, or scientific positioning support is not included in the discounted option.

\*\*\*Tier 3 includes one featured content option. Add \$2,000 to select a second option and another \$1,500 to select a third option.

- Sponsor profiles and sponsored content will be clearly labeled as sponsored. Inclusion does not imply endorsement, certification, or independent evaluation by Cells Matter.
- A contract/SOW between Cells Matter and the sponsor will define project scope, content specifications, review cycles, timelines, and publication terms.
