

IMPORTANT TUITION PAYMENT UPDATE

New policy begins September 8, 2026

Beginning with the new school year, My Place tuition will be paid **one week in advance**.

This is not an additional fee. The advance payment remains as a credit on your account and pays for a future week of care.

NEW FAMILIES

Starting September 8, 2026, all newly enrolling families must pay one week of tuition before care begins.

- ✓ Secures your child's enrollment spot
- ✓ Pays for your child's first week of care
- ✓ Is due when the enrollment spot is accepted

CURRENTLY ENROLLED FAMILIES

Families already enrolled before September 8, 2026 will have until **January 4, 2027** to build a one-week tuition credit on their account.

You may pay the amount in full or use a **6-week or 12-week payment plan**.

Please contact the Center to arrange your payment plan.

HOW A PAYMENT PLAN WORKS: EXAMPLE

Weekly Tuition	6-Week Plan	12-Week Plan
\$300 per week	Add \$50 per week for 6 weeks	Add \$25 per week for 12 weeks

After the plan is completed, the account will be paid one week in advance and ready for the January 4, 2027 deadline.

Questions or need a payment plan?

Please speak with the Program Director before the deadline so we can help you choose an option that works for your family.

Thank you for helping us keep tuition accounts current and enrollment spots secure!
