

After School Enrichment Program

Exciting News from the My Place After School Program!

Licensed by the Office of Child and Family Services

We are delighted to announce that the **My Place After School Program** will once again be offering after-school care for the 2024-2025 school year. Our program is dedicated to providing a safe, engaging, and supportive environment for students.

A New Chapter Begins!

We are proud to share that we've been awarded the prestigious **LEAPS Grant** for the next 5 years! This grant will allow us to introduce even more opportunities for our students and their families, reinforcing our commitment to excellence and growth.

Program Highlights:

- **Academic Support:** We will provide structured homework assistance and enrichment activities to help students thrive both academically and creatively.
- **Social-Emotional Supports:** Our program will focus on fostering emotional intelligence, resilience, and self-confidence, ensuring that students are supported both in and out of the classroom.
- **Community & Family Engagement:** We are dedicated to strengthening the bonds between school, family, and community through initiatives that promote meaningful connections and active participation.

This grant represents an exciting opportunity to enhance the experience for all students involved, and we look forward to sharing this journey with you.

Already a part of the My Place family, but need to enroll for the school year? Please email Miss Cass at cassandra.ball@myplace-aplc.org and she will send you the packet. We are excited to welcome new and returning families to another year of success and fun!
