

Sliding Fee Scale for School-Age Child Care Tuition  
Effective January 5th, 2026

The My Place fee scale was created with a great deal of care, compassion, and intentionality. As we reviewed regional economic data, childcare subsidy structures, and the requirements of our LEAPS grant, our top priority remained the same: ensuring families have access to high-quality, dependable, and affordable care. Because My Place is LEAPS grant-funded, our tuition rates must align with grant guidelines—but please know that every decision was made with the well-being of our families in mind.

We also understand that navigating tuition changes or financial assistance programs can feel overwhelming. Families whose income falls within the New York State Child Care Assistance Program (CCAP) guidelines may qualify for additional support, and we want you to know that you do not have to navigate this alone. On the next page, you'll find information about available childcare grants and how to apply, and our team is always here to walk you through the process, answer questions, and help in any way we can.

We truly care about the families we serve, and we are committed to supporting you through every step of this transition.

Please Note:  
TUITION IS BASED ON ENROLLMENT, NOT ATTENDANCE.

Enrollment period	K+	PreK
2026 SACC Weekly School Year Fee	\$50	\$125
2026 SACC Weekly Summer Fee	\$125	\$280
