Sliding Fee Scale for Tuition

Effective January 1, 2024

Income Scale

Family Size	Family Gross Income		
	Level 1	Level 2	Level 3
2	67,490	86,837	110,576
3	83,370	102,545	126,130
4	99,250	118,108	140,548
5	115,130	134,702	157,601
6	131,010	150,662	173,261

Due to large increases in income limits to allow families to qualify for Child Care Assistance Program we are reducing our sliding fee scale to 3 income levels. We strongly encourage all families whose income falls under the Level 1 category to consider applying for assistance through their local Department of Social Services. In the spirit of providing an equitable and inclusive environment for all children, CCAP eligibility does not impact enrollment.

Families are welcome to supply their previous year's tax return or proof of monthly income to receive a reduced rate on the sliding fee scale. Families will be asked to reapply in December each additional year going forward after the initial tuition agreement. All financial information will be stored in a secure location with limited access to administration staff only. Families who choose not to provide financial statements will be automatically billed at Level 3 rates.
