

ABGMC

AL BATOUL GENERAL MAINT & CONT

One Stop Solution

About Us

The company has been working on numerous turn-key projects. ABGMC has set up a highly qualified team that can undertake the design and execution of architectural, structural, MEP services, landscape, interior architectural and interior design projects, together with the manufacture of our own refined and customized furniture. The company specializes in the design of corporate offices, restaurants, gyms, hotels, resorts and luxury hotels.

Our Team

Our company is backed by a team of talented designers who come up with different ideas, themes and choose the best for the customers. The professionals work in coordination with the clients, and try to understand what exactly they want. Clients' taste in terms of favorite color, preferred settings, etc. is kept in mind while designing the rooms. Only after getting full understanding of clients' requirements and preferences, we plan, design & execute our interior design services. All our team members are well experienced and possess rich expertise in their respective domains. Our personnel also assist the clients in choosing perfect lighting, flooring, and painting.

Our Experience

ABGMC has executed various major prestigious projects all over Dubai. The company's Executive Staff and Technical Experts have already handled a vast range of projects including, Group housings of public sector, Schools, Hotels, Industrial and Commercial buildings etc.
