

## **FMCSA Notification of Driver Rights**

In compliance with 49 CFR Part 40 §391.23 you have certain rights regarding the safety performance history information that will be provided to prospective employers. I) You have the right to review information provided by previous employers. II) You have the right to have errors in the information corrected by the previous employer and for that previous employer to re-send the corrected information to prospective employers. III) You have the right to have a rebuttal statement attached to the alleged erroneous information, if the previous employer and the driver cannot agree on the accuracy of the information. (2) Drivers who have previous DOT regulated employment history in the preceding three years and wish to review previous employer-provided investigative information must submit a written request to prospective employers. This may be done at any time, including when applying, or as late as 30 days after being employed or being notified of denial of employment. Prospective employers must provide this information within five business days of receiving the written request. If prospective employers have not yet received the requested information from the previous employer, then the five-day deadline will begin when the requested safety performance history information is received. If you have not arranged to pick up or receive the requested records within 30 days of prospective employers making them available, the prospective employers may consider you to have waived your request to review the record.
