The patrons of the Fairbury Blue Rivers Senior Center are concerned about what the future holds for the agency in Jefferson County. Due to the lack of funding, it has been brought to their attention that other meal sites have been closed and others may follow. We have a hardworking staff and many volunteers. The elderly and disadvantaged patrons of the Fairbury Senior Center have a need for, and welcome, a retreat where they can enjoy a well-balanced meal and one another's companionship while participating in various activities. Some cannot attend making it necessary to call on volunteers to make deliveries. Nearly 70 individuals, including our veterans, benefit from their donated time and efforts. We urge you, our elected officials, to continue your support and funding of this needed program. We feel closing down additional facilities would be a disappointment, as well as detrimental to the elderly, veterans and all of the workers at the Fairbury facility.
