

Commission Sheet

As of December 1, 2023

Pricing for Pinups

I try to keep my pricing as simple as possible. It is worth pointing out that larger orders and frequent customers get discounts.

Base price (one character in one scene): \$40.00

- Additional character(s) in scene: \$15.00 (max of 6 characters per scene)
- Male(s) in scene: \$10.00 for first, \$5.00 for additional (max of 6 males per scene)
- Character not in catalog fee: \$12.50

Perks for commissions

- Magazine cover (choice of BLEACHED or Trap Haus covers): \$10.00
- Snapchat filter: \$5.00
 - With Bitmoji: \$5.00
- Cum effects: \$20.00

Pricing for Animations

At the moment, I am only selling looped animations. I am still new at animating, but am selling animations to motivate me to animate more as I am a serial procrastinator when it comes to animating. With that said, the final product may not be as great as either of us hoped, but that is the point of practicing and exercising with this. I will try my absolute best to make the best animation possible, but I still have a lot to learn about animating. Patreon discounts do not apply to animations.

Base price (one character in one scene): \$200.00

- Additional character(s) in scene: \$25.00 (max of 3 characters per scene)
- Male(s) in scene: \$20.00 (max of 3 males per scene)

It is worth noting that not all animation ideas are equal, so these prices are not very rigid and will fluctuate depending on the complexity and rendering demands of the animation.

Characters Available

This is the (mostly) full list of characters available for commissions as of August 7, 2022. Characters not listed and found on smutba.se can be commissioned for a \$5.00 fee.

Italics denote models that are in beta testing, asterisk (*) denotes models with a futanari option, caret (^) denotes original characters (regardless of parody or not). All characters are depicted as being 18 years old or older and are pure fiction.

Other Information

I try to complete commissions within the week. If you haven't heard from me 14 days after buying, message me on Twitter or Discord because it means I likely forgot about it. Please note that larger pinup orders will take longer and there may be periods where my personal life gets too busy to meet my two-week deadline. For animations, please allow up to 2-4 weeks, though I should be giving you updates no later than the second week.
