2025 Barn Rule

Rule changed:

“All areas of the barn must be cleared at the time of the livestock show or auction. Parents and non-exhibitors will NOT be allowed in the barn area during these times. This rule has been instated for the safety of exhibitors, livestock, and show personnel. If an individual becomes a problem in the livestock/barn area they will be asked to leave, further issues will result in dismissal from the fairgrounds.”

Updated Rule:

The barn/fitting areas will be restricted to one parent/guardian per child during the livestock show and auction. This is limited to the duration of the active livestock show and auction (approx. time Thursday/Friday 8:30AM-conclusion of show & Round Robin/Champion Drive) (Saturday 11AM-conclusion of auction). Adults accompanying an exhibitor in the hog area will be required to join that exhibitor in their assigned pen. Leaders and parent/guardian will not be permitted to be in the holding pen areas or alley ways leading to or from the show arena. All parents and leaders will be required to wear an approved identification method (i.e. bracelet, badge, pin, etc.) to access the barn/fitting areas during the livestock show and auction. Identification method will be provided by the Colorado River Fair and allocated to club leaders for distribution. Exhibitors are expected to groom and care for their animal(s) themselves and shall refrain from accepting active assistance from adults and non-exhibiting youth unless the exhibitor is actively engaged, and the assistance is only for instruction. **No professional fitters will be permitted to accompany an exhibitor in the livestock barn/fitting areas during show times.**

These rules have been instated for the safety of exhibitors, livestock, and show personnel. If an individual becomes a problem in the livestock/barn area they will be asked to leave, further issues will result in dismissal from the fairgrounds.

2025 Identification Method:

All parents and leaders will be required to wear an **entry bracelet** to access the barn/fitting areas during the livestock show and auction. Bracelets will be provided by the Colorado River Fair and allocated to club leaders for distribution.

State Rules for California Fairs

We agree that members are expected to care for, prepare for the show, and exhibit their own animals while at the fair or livestock show. However, because of the educational nature of livestock shows, it is appropriate on occasion for parents, leaders, or other youth eligible to exhibit at that show to provide assistance. The assistance should always be given only when the exhibitor is present and actively engaged.
